IN RE: CfL, Inc.

Dear Sir or Madam:

Calls for Less, Inc. d/b/a

Please be advised that CfL, Inc. ("CfL"), a wholly owned subsidiary of IL
Telecommunications, Inc. and provider of prepaid long distance service, will be dissolved
as an operating entity as of December 31, 1999. This action is being taken to simplify
internal accounting procedures and to maximize efficient utilization of the network used
to deliver prepaid long distance services.

CfL
TI 373

Effective simultaneously, Intellicall Operator Services, Inc. dba IL
("ILD"), also a wholly owned subsidiary of IL
Telecommunications, Inc. and a provider of prepaid
long distance services, will assume full responsibility to meet all obligations for
unexpired prepaid long distance cards issued by CfL. IL
will honor the full value of all
accounts with outstanding balances on the same rates, terms and conditions under which
such prepaid long distance cards were originally purchased by consumers from CfL
and/or its agents.

No consumers will be disadvantaged and owing to the nature of the service provided, no
customer notice is required. Retail locations previously selling CfL prepaid cards will be
supplied with prepaid cards issued by IL.

CfL was certified to provide intrastate services in Docket/Order # 4030 and IL
in Docket/Order # 880816-TI. We request that CfL's certificate be canceled as of 1 January,
2000. Please contact me as indicated below with any questions related to this action.

Very truly yours,

B. Reid Presson, Jr.
Consultant
