Re: Access Network Services, Inc.
Certificate Numbers 4797 and 3512

Dear Ms. Bayo:

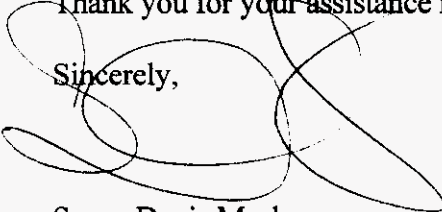

I am writing to request the cancellation of Alternative Local Exchange Certificate Number 4797 and Reseller Certificate Number 3512 currently held by Access Network Services, Inc., as the company has been purchased by Intermedia Communications Inc. (a certificated Florida ALEC and interexchange carrier). All customers have received written notices and their final Access Network Services bills. No customer deposits have been collected by Access Network Services.

Unless the Commission directs otherwise, the Company will pay any regulatory fees due and owing in conjunction with each certificate at the date of certificate cancellation by the Commission. Please contact us if any additional information or action is required.

Please acknowledge receipt of this transmittal by returning a date-stamped copy of the enclosed cover letter duplicate in the return envelope provided for that purpose.

Thank you for your assistance in this matter.

Sincerely,

Susan Davis Morley
