Dear Mr. Jaeger:

I received a call from John Pedersen of 7645 Ivory Terrace in New Port Richey. Mr. Pedersen recently moved to his this address in the Aloha Utilities service area. He called because he has discolored water coming from his faucets, even though he has installed a $4,000 water purifying system. I would appreciate your adding Mr. Pedersen's complaint to your files.

Thanks in advance for your assistance. As always, if I can ever do anything for you, please do not hesitate to contact me.

Yours truly,

Mike Fasano
