**RE:** Docket No. 991855-EI - Request by Florida Power & Light Company for extension of confidential classification granted in Order No. PSC-98-0931-CFO-EI

Docket No. 991855-EI was opened by Records and Reporting on December 7 to address Florida Power & Light Company's "First Request for Extension of Confidential Classification of Materials Provided in the Cost Allocation between FPL and FPL Services Audit, Audit Control No. 97-223-4-1." However, because this filing seeks extension of confidentiality granted by Order No. PSC-98-0931-CFO-EI in Docket No. 980190-EI, Docket No. 980190-EI should have been reopened to address the request for extension. Please close Docket 991855-EI and reopen 980190-EI.

Document No. 14950-99 (the request) will be moved to Docket 980190-EI, and the docket number on Confidential Document No. 14951-99 will be changed to 980190-EI.

Denise, I believe Linda talked with you last week about a filing from FPL that requested extension of confidential classification of documents concerned with Audit Control No. 97-223-4-1. While we did open a new docket to address the request, this actually needs to be filed in the original docket that granted the request (980190). Since RAR opened the new docket, I will ask that it be closed and 980190 be reopened. Please let me know if questions. Kay
