Ray Kennedy,

Per our conversation October 29, 99 I have submitted to you my Companies information on our Legal dba / Fictitious Name. On March 3, 98 Alternative Telecommunication Services, Inc. was granted the right to use Second Chance Phone as a Legal dba. Document number G98061000057 in the State of Florida. We do not wish to change the Company name on our Certification. Second Chance Phone should be listed as our Fictitious name only due to the fact we have also Incorporated Second Chance Phone, Inc. Document number P99000048935. We are now in the process of applying for a separate Certification with the Florida Public Service Commission under Second Chance Phone, Inc to provide ALEC Services. If you should have any questions or require further information please contact me. Thank you for your help in this matter.

Sincerely,
Michael D. Rodgers

: I would also like to thank you for your help with the Local Service Freeze problem we had with Local Line America. It was resolved and our Customer Satisfied.
