RE: 960100-TP - Generic Investigation into Permanent Number Portability

A conference call was tentatively scheduled for December 10, 1999. Because the issues in this docket are not rapidly developing, the next conference call will be March 10, 2000, beginning at 10:00 a.m. The purpose of the call will be to review the status of permanent number portability in Florida.

A notice will be sent out closer to the date advising of the call-in number. Please feel free to call me at (850) 413-6175 if you have any questions or need additional information.
