

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for transfer of majority organizational control of Ocala Oaks Utilities, Inc., holder of Certificate No. 346-W in Marion County, to AquaSource Utility, Inc.

DOCKET NO. 981907-WU
ORDER NO. PSC-99-2499-FOF-WU
ISSUED: December 21, 1999

The following Commissioners participated in the disposition of this matter:

JOE GARCIA, Chairman
J. TERRY DEASON
SUSAN F. CLARK
E. LEON JACOBS, JR.

ORDER DECLINING TO INITIATE A SHOW CAUSE PROCEEDING,
APPROVING APPLICATION FOR
TRANSFER OF MAJORITY ORGANIZATIONAL CONTROL,
AND CLOSING DOCKET

BY THE COMMISSION:

BACKGROUND

Ocala Oaks Utilities, Inc. (Ocala Oaks or utility) is a Class B utility that provides water service in Marion County and serves approximately 1,571 water customers. The utility was issued Water Certificate No. 346-W pursuant to Order No. 10471, issued December 23, 1981, in Docket No. 810470-W. The utility's 1998 annual report lists total utility operating revenues of \$357,792 and total utility operating income of \$31,419. The utility's facilities consist of twelve water treatment plants and twelve water distribution systems.

On December 23, 1998, AquaSource Utility, Inc. (AquaSource or Buyer) filed an application for transfer of majority organizational control of the utility from Mrs. Harold Ellzey (Mrs. Ellzey or Seller). The Buyer's application was found to be deficient. The deficiencies were corrected on May 18, 1999. The application was delayed because the application included territory that was

PAGE 2

contingent upon our decision in another transfer docket. We approved the transfer by Order No. PSC-99-1925-PAA-WU, issued September 28, 1999, in Docket No. 981030-WU, (Consummating Order No. PSC-99-2079-CO-WU, issued October 21, 1999).

Generally, rate base is not established in transfer of majority organizational control proceedings. Therefore, a rate base audit has not been performed, nor is it necessary in this docket. However, the estimated rate base of Ocala Oaks is \$606,313, derived from the utility's 1998 annual report plus the estimated value of the recently transferred utility. The total purchase price for the stock of the utility is \$1,415,775.

NO SHOW CAUSE REQUIRED

Ocala Oaks closed on the transfer of all its outstanding stocks to AquaSource on June 21, 1999, prior to obtaining Commission approval and without making the transfer contingent upon Commission approval. Section 367.071(1), Florida Statutes, (1999), which became effective on June 11, 1999, states as follows:

No utility shall sell, assign, or transfer its certificate of authorization, facilities or any portion thereof, or majority organizational control without determination and approval of the commission that the proposed sale, assignment, or transfer is in the public interest... However, a sale, assignment, or transfer of its certificate of authorization, facilities or any portion thereof, or majority organizational control may occur prior to commission approval if the contract for sale, assignment, or transfer is made contingent upon commission approval.

On June 7, 1999, Ocala Oaks and AquaSource executed a Stock Purchase Agreement (Agreement), which sets forth the terms and conditions by which AquaSource acquired all of the outstanding stock of the utility. The Agreement states in Section IX-Public Service Commission Approval that the parties recognize the jurisdiction of the Commission to approve the transfer. Section 9.1 of the Agreement states as follows:

ORDER NO. PSC-99-2499-FOF-WU
DOCKET NO. 981907-WU
PAGE 3

The Parties acknowledge that this transaction is subject to the jurisdiction of the FPSC and Section 367.071 of the Florida Statutes. Recognizing that FPSC approval of the transaction and transfer of the water certificates may not be accomplished on or before the Closing Date, this Agreement shall be subject to modification, including rescission, by mutual agreement, in the event the FPSC fails to approve the transfer within twelve (12) months hereof. Buyer may elect to close this transaction after the completion of its Due Diligence Period, but prior to FPSC approval. In the event Buyer elects to exercise this option and closes prior to FPSC approval, Buyer shall indemnify and hold Seller harmless from any and all claims, fines, penalties or any other liability or claim imposed or asserted by the FPSC and any other governmental or regulatory authority against Seller based upon or attributable to the Closing of this transaction or ownership of the Stock of Buyer, prior to FPSC approval. In the event the FPSC fails to approve the transaction, for a period of three (3) years following such event, the Seller agrees to cooperate with the Buyer and use reasonable efforts in Buyer's attempts to sell the Company to another entity who is approved by the FPSC (emphasis added).

We find that this provision does not make the transfer contingent upon the approval of this Commission. The Agreement has several options available to the parties should we make a final decision to disapprove the transfer, only one of which would "unwind" the transaction. This option is rescission, by mutual agreement. However, rescission is not automatic and parties retain the right to withhold their consent to rescind the Agreement. Furthermore, this Agreement allows the disapproved Buyer to remain in possession of the utility until an approved entity can be found. In addition, it allows the disapproved Buyer to remain in control of the utility for an indefinite period of time after our final decision. Since this provision keeps the utility in the Buyer's hands rather than reverting back to the Seller, we find that this provision is not within the meaning and intent of the statute. This is distinguishable from allowing the parties to close on

ORDER NO. PSC-99-2499-FOF-WU
DOCKET NO. 981907-WU
PAGE 4

transactions prior to our final decision on the merits of the transaction, contingent upon our approval.

Section 367.161(1), Florida Statutes, authorizes us to assess a penalty of not more than \$5000 for each offense, if a utility is found to have knowingly refused to comply with, or to have willfully violated any provision of Chapter 367, Florida Statutes. In transferring its stocks prior to Commission approval and without making the transfer contingent upon Commission approval, the utility acted "willfully" within the meaning and intent of Section 367.161 (1), Florida Statutes. In Order No. 24306, issued April 1, 1991, in Docket No. 890216-TL, titled In Re: Investigation Into The Proper Application of Rule 25-14.003, Florida Administrative Code, Relating To Tax Savings Refunds For 1988 and 1989 For GTE Florida, Inc., the Commission having found that the company had not intended to violate the rule, nevertheless found it appropriate to order it to show cause why it should not be fined, stating that "[i]n our view, 'willful' implies an intent to do an act, and this is distinct from an intent to violate a statute or rule."

Although the parties act was "willful" and in apparent violation of Section 367.071(1), Florida Statutes, there are mitigating circumstances to consider. First, a letter from AquaSource dated October 21, 1999, stated that the language in this Agreement was virtually identical to prior Stock Purchase Agreements which this Commission had tacitly approved because, despite show cause issues, we did not initiate show cause proceedings in those prior transactions. However, those utilities were transferred prior to the effective date of the 1999 statutory changes to Chapter 367. The "unwind" provisions contained therein were found to be mitigating circumstances when we considered whether to initiate show cause proceedings against those utilities. (See Order No. PSC-99-0481-FOF-WS, issued March 8, 1999, in Docket No. 981509-WS, In Re: Application for Approval of Transfer of Majority Organizational Control of Arrendondo Utility Company, Inc., Holder of Certificate Nos. 479-S and 549-W in Alachua County, to AquaSource Utility, Inc.; Order No. PSC-99-0483-FOF-WS, issued March 8, 1999, in Docket No. 981508-WS, In Re: Application for Approval of Transfer of Majority Organizational Control of Crystal Rive Utilities, Inc., Holder of Certificate Nos. 123-W, 396-W, 507-W, 441-S, 53-W, 594-W, and 510-S in Polk, Sumter, Lake, Citrus, and

ORDER NO. PSC-99-2499-FOF-WU
DOCKET NO. 981907-WU
PAGE 5

Palm Beach Counties, to AquaSource Utility, Inc.; and Order No. PSC-99-0482-FOF-WS, issued March 8, 1999, in Docket No. 981780, In Re: Application for Transfer of Majority Organizational Control of Jasmine Lakes Utilities Corporation, Holder of Certificate Nos 83-S and 110-W in Pasco County, for James M. Dreher to AquaSource Utility, Inc.) However, the threshold issue of whether the language of the "unwind" provisions in those agreements met with the requirements of 367.071(1), Florida Statutes, (1999), was not addressed because the provision was not yet in existence. The plain meaning of the new statutory language requires that the "unwind" provision clearly state that the agreement be made contingent upon Commission approval. Nevertheless, this Agreement was drafted sometime before the effective date of the statutory change and the drafters did not have the benefit of referring to the clear and plain language of the statute. Second, the letter stated that the parties had an understanding, which was not reduced to writing, that AquaSource would bring the billing system of the utility into Y2K compliance. AquaSource believed it could not delay closing because of the limited time left to bring the system into compliance (six months before the year 2000).

Based on the foregoing, we do not find that the apparent violation of Section 367.071, Florida Statutes, rises in these circumstances to the level which warrants the initiation of a show cause proceeding. Therefore, Ocala Oaks shall not be required to show cause for failing to obtain our approval prior to transferring its stock or making the transaction contingent upon our approval.

APPLICATION

Except as discussed above, the application is in compliance with the governing statute, Section 367.071, Florida Statutes, and other pertinent statutes and administrative rules concerning an application for transfer of majority organizational control. The application contains the correct filing fee pursuant to Rule 25-30.020, Florida Administrative Code.

Pursuant to Rule 25-30.030, Florida Administrative Code, the utility provided proof that it complied with the noticing requirements. No objections to the notice of application were received and the time for filing such has expired. We note that

ORDER NO. PSC-99-2499-FOF-WU
DOCKET NO. 981907-WU
PAGE 6

the territory description for Ocala Oaks as set forth in Order No. 10471, issued December 23, 1981, in Docket No. 810470-WS, contained an error that reads "Woodlands Place, Township 15, South." The correct description of this territory is "Woodland Place, Township 14, South." Attached is the correct description of the utility's territory set forth in Attachment A, which is incorporated herein by reference.

The application states that the transfer is in the public interest because the Buyer is part of a large corporation with water and wastewater utilities in Texas and Florida. The Buyer has the financial resources to make the future improvements to the utility systems as deemed necessary. Additionally, the application contains a statement that the Buyer will fulfill the commitments, obligations and representations of the Seller with regard to utility matters. In contrast, the Seller is no longer interested in continuing to own and operate the utility systems.

Regarding the Buyer's technical ability, AquaSource, a newly formed corporation, has a staff that has over 25 years experience in operation, maintenance and management services for municipal and private water utilities. Furthermore, the Buyer currently operates water and wastewater systems serving approximately 125,000 customers in Texas. Regarding the financial ability of AquaSource, the Buyer supplied a consolidated financial statement for DQE, Inc., its parent corporation. DQE, Inc. has financial assets of \$4,694,402,000 and is committed to providing financial assistance to AquaSource as needed. Recently, AquaSource has acquired numerous water and wastewater facilities in Florida with the approval of this Commission.

According to our records, the utility is current on its regulatory assessment fees and has filed an annual report for 1998. The application states that the Buyer has performed a reasonable investigation of the utility systems. The plant facilities appear to be in satisfactory condition and in compliance with applicable standards set by the Florida Department of Environmental Protection (DEP). Our staff contacted DEP and confirmed that there are no outstanding notices of violation. The application contains 10 recorded deeds in the name of the utility as proof of ownership as required by Rule 25-30.037(3)(i), Florida Administrative Code.

ORDER NO. PSC-99-2499-FOF-WU
DOCKET NO. 981907-WU
PAGE 7

Based on the foregoing, we find the transfer of majority organizational control of Ocala Oaks to AquaSource in the public interest, and it is approved.

RATE BASE AND ACQUISITION ADJUSTMENT

Section 367.071(5), Florida Statutes, authorizes us to establish rate base for a utility when the sale, assignment, or transfer of a utility is approved. Generally, we do not establish rate base in transfers of majority organizational control because of the principle that stock value has no regulatory relationship with rate base. Since the actual assets of the utility are not being sold and the value of the assets remains unchanged, we find that no acquisition adjustment has resulted from this transfer. Furthermore, we do not find it necessary to establish rate base in this docket.

RATES AND CHARGES

Ocala Oaks' approved rates were effective November 27, 1998, pursuant to a price index for 1998 and pass-through of ad valorem taxes. Service availability charges were effective August 6, 1996, pursuant to an application for rate increase filed in Docket No. 960408-WU. Rule 25-9.044(1), Florida Administrative Code, provides that:

In case of change of ownership or control of a utility which places the operation under a different or new utility . . . the company which will thereafter operate the utility business must adopt and use the rates, classification and regulations of the former operating company (unless authorized to change by the Commission).

The Buyer did not request a change in the rates and charges of the utility. Accordingly, AquaSource shall continue to use the rates, classification and regulations previously approved for the utility. The utility has filed a revised tariff reflecting the change in issuing officer due to the transfer of majority organizational control. The tariff filing is approved, to be effective for services rendered or connections made on or after the stamped approval date on the tariff sheets.

ORDER NO. PSC-99-2499-FOF-WU
DOCKET NO. 981907-WU
PAGE 8

Because no further action is required in this docket, this docket shall be closed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the transfer of majority organizational control of Ocala Oaks Utilities, Inc., 1343 North East 17th Road, Ocala, Florida 34470, from Doris Ellzey, general partner, Michael/Doris Ellzey Limited Partnership, 1343 Northeast 17th Road, Ocala Florida 34470, to AquaSource Utility, Inc., 16810 Barker Springs, Suite B215, Houston, Texas 77084, is hereby approved. It is further

ORDERED that a show cause proceeding shall not be initiated against Ocala Oaks Utilities, Inc., for its apparent violation of Section 367.071(1), Florida Statutes. It is further

ORDERED that the description of the territory served by Ocala Oaks Utilities, Inc., is hereby corrected as set forth in the body of this Order. Ocala Oaks Utilities, Inc., is authorized to continue service to the corrected territory as set forth in Attachment A of this order, herein incorporated by reference. It is further

ORDERED that AquaSource Utility, Inc., shall continue to use the rates, classification and regulations previously approved by this Commission for Ocala Oaks Utilities, Inc., until authorized to change by this Commission in a subsequent proceeding. It is further

ORDERED that the tariff reflecting the transfer of majority organizational control is approved and shall be effective for services rendered or connections made on or after the stamped approval date on the tariff sheets. It is further

ORDERED that this docket shall be closed.

By ORDER of the Florida Public Service Commission this 21st
day of December, 1999.

BLANCA S. BAYÓ, Director
Division of Records and Reporting

(S E A L)

PAC

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by the Commission's final action in this matter may request: 1) reconsideration of the decision by filing a motion for reconsideration with the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, within fifteen (15) days of the issuance of this order in the form prescribed by Rule 25-22.060, Florida Administrative Code; or 2) judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or the First District Court of Appeal in the case of a water and/or wastewater utility by filing a notice of appeal with the Director, Division of Records and reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days after the issuance of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
