company's long-term debt securities and obligations. In addition, FPC proposes to issue, sell and have outstanding at any given time during 2000 short-term unsecured securities and debt obligations, including commercial paper classified as short-term debt for accounting purposes, in an aggregate amount not in excess of \$500 million, which amount shall be in addition to and in excess of the authority conferred on FPC by Section 366.04, Florida Statutes, to issue short-term securities aggregating to more than five percent of the par value of FPC's other outstanding securities.

Recommendation: The Commission should approve the action requested in the dockets referenced above and close these dockets, with the exception of Docket No. 991525-EI, which should remain open for monitoring purposes until April 15, 2001.
