Re: Docket Number 991613-TI – Financial Intranet, Inc.

Dear Ms. Bayo:

Financial Intranet, Inc. is currently on the Docket as No. 991613-TI for payment of past due regulatory assessment fees and failure to keep the Commission updated on certain corporate information.

Please note that, concurrent with the filing of this correspondence, we have made payment of the past due amounts owed and are now current with the Commission. In addition, due to a change of address that was only recently communicated to the Commission, we have not been aware of this oversight, but have now taken the necessary steps to insure that our records are now up to date with the Commission and such failure to comply to notices sent by the Commission will not recur.

In the future, we will notify the Commission within 10 days of any change in address, phone numbers, and liaison, if any should occur.

We would also at this time, in light of our desire to keep our certificate active, and to remain in compliance with the Commission, propose that we settle any potential fines related to our failure to timely file any assessment fees or proper notifications by paying to the Commission the amount of \$250.

As evidence of our compliance with the rules and regulations of the Commission, attached hereto please find copies of the delinquent return and evidence of our payment of all amounts due.

We appreciate your time in reviewing our request, and respectfully request adjudication of this matter in the manner outlined above. Thank you again for your consideration, and please contact me directly if you need any additional information.

Very truly yours,

Corey Rinker
