RE: DOCKET NO. 990362-TI - INITIATION OF SHOW CAUSE PROCEEDINGS AGAINST GTE COMMUNICATIONS CORPORATION FOR APPARENT VIOLATION OF RULE 25-4.118, F.A.C., LOCAL, LOCAL TOLL, OR TOLL PROVIDER SELECTION.

ITEM 35 - DECEMBER 21, 1999 AGENDA CONFERENCE - REQUEST FOR DEFERRAL

On December 16, 1999, GTELD requested a deferral of this item from the December 21, 1999, Agenda Conference schedule. GTELD indicates that it wishes to modify its settlement agreement to include language that states that its settlement of this matter does not preclude action by other state agencies or departments. GTELD attached a revised copy of its settlement to the request for deferral.

Staff recommends that the request for deferral be granted. This will allow staff to revise its recommendation to address the modification to the settlement offer. Staff does not expect this revision to require that this be deferred more than one agenda. Therefore, we ask that this only be deferred to the January 18, 2000, Agenda.

Re: Docket No. 990362-TI, Initiation of Show Cause Proceedings Against GTE Communications Corporation for Apparent Violation of Rule 25-4.188

Dear Beth:

I am writing to request deferral of the above-captioned matter from the Commission's December 21, 1999 agenda to the next agenda on January 18, 2000. This matter is currently designated as Item 35 on the December 21 agenda.

Deferral is appropriate to allow GTELD to add generic language recognizing that the settlement will not preclude or preempt any matters reviewed by other state agencies or departments. This minor addition does not change the substantive terms of the settlement proposal.

A revised copy of the proposal is attached. The new language appears in the next to the last paragraph. I understand that the existing Staff recommendation will be revised to include the additional language. Specifically, the new language will be reflected in the text of the recommendation itself (as well as the resulting order), and the revised settlement proposal will be attached to both the recommendation and the order. If this understanding is incorrect, please contact me or Kimberly Caswell (at 813-483-2617) as soon as possible.

On behalf of GTELD, I apologize for any inconvenience this change may have caused to Staff.

Sincerely,
