Docket No. 981444-TP
Filed: December 23, 1999

**AT&T'S RESPONSE TO PETITION TO INSPECT AND EXAMINE
MATERIAL CLAIMED TO BE CONFIDENTIAL**

AT&T Communications of the Southern States, Inc. and AT&T Wireless Services, Inc. (collectively "AT&T"), pursuant to Rule 25-22.006, Florida Administrative Code, hereby files its Response to Petition to Inspect and Examine Material Claimed to be Confidential filed by the Office of Public Counsel ("OPC").

1. On December 13, 1999, the Citizens of Florida, by and through the Office of Public Counsel, filed a petition to inspect certain confidential information filed in this matter by, among others, AT&T.

2. At this time, AT&T does not object to permitting OPC to inspect the confidential information of AT&T identified in OPC's petition provided an appropriate protective order is first entered.

3. AT&T hereby requests that a protective order be entered by the Florida Public Service Commission ("Commission") permitting OPC to inspect the information identified in its petition solely for purposes of this docket. The order should specify that access to the information is limited to those individuals at OPC who are actively participating in this docket, and that each such individual is required to review the protective order prior to receiving access to the information, and to execute a form acknowledging that the individual has read and understands the protective order

and agrees to be bound by its terms. The Order should further specify that OPC must retain copies of all such executed acknowledgment forms. In addition, the Order should require OPC to return or destroy any document, including notes or other documents created by OPC, that incorporates or includes any of AT&T's confidential information at the conclusion of this proceeding.
