====NOTE=====5/05/98==9:39am==
The Case Management System indicates that a prehearing officer has not been assigned to this docket. However, in January, when this docket was consolidated with Docket # 971433, Commissioner Deason signed the order for consolidating the dockets and closing 971433. I am drafting an order on discovery and need to know if Deason should remain as the Prehearing Officer in this docket. Thanks.

.....
Cathy, usually a consolidated docket remains open. In this case DN 971433 was closed by the assigned Prehearing officer (Deason). The now consolidated docket (971492) has not been assigned a Prehearing officer. Under the normal rotation, Commisisoner Jacobs would be assigned as Prehearing officer. However, since Deason would have been the PHO if the docket had been consolidated and NOT closed, and since he has already issued an order relating to issues in the consolidated docket, it makes sense to keep Deason as the PHO.

Curtis, please let me know if the Chairman approves of this request to assign Commissioner Deason as prehearing officer in DN 971492.
