Dear Ms. Bayo:

As we explained to a member of your staff today, we are enclosing the original document of the above mentioned application that was inadvertently omitted from the package you received Monday, February 8, 1999, which contained 13 copies plus a return-receipt copy. We were informed today that this application was assigned docket no. 990144-TP.

Please include the enclosed document with the rest of the filing. We apologize for any inconvenience we may have caused your office, and thank you for your assistance in this matter.

Sincerely,

Maria Florencia Maggi

I am struggling with a title for this new docket--it will be on its way to CMU and LEG once I do that. Please review the title in CMS and compare it to the copies you'll be receiving. Then advise if this is actually an assignment of certs and name change, and whether any of the certs will be canceled (since two IXC certs are being assigned to Excel Operations--if I'm reading the filing correctly). Clear as mud?

Please advise of any title changes and that will also give us an idea of what categories may need to be changed in CMS, and whether any changes are needed in MCD.

Thanks. Kay
