I would now like to be listed as an "interested party" on all current water and wastewater dockets open as of this date. If you wish me to write a separate request listing those specific dockets, I will require a list of all current dockets in order to be able to do that. I am already subscribing to the "Summary of New Dockets" report and I will submit a new request for the new water and wastewater dockets each time I receive that report.

I am interested in all water and wastewater dockets, including rulemaking, declaratory statement, or other dockets handled by appeals, because I am publishing a reporter, called *The Waterline*, on the Florida Public Service Commission's regulatory activities in regard to water and wastewater utilities. Therefore, I will need to be kept
