DOCKET NO. 960789-EI
ORDER NO. PSC-00-0046-CFO-EI
ISSUED: January 6, 2000

ORDER GRANTING CONFIDENTIAL CLASSIFICATION
FOR PORTIONS OF GULF POWER COMPANY'S
EARNINGS SURVEILLANCE REPORT, SUPPLEMENTAL 2, FOR OCTOBER 1999
(DOCUMENT NO. 15352-99)

Pursuant to Rule 25-22.006, Florida Administrative Code, and Section 366.093, Florida Statutes, Gulf Power Company (Gulf) requests that its Earnings Surveillance Report, Supplemental 2 for October, 1999, (Supplemental 2), be granted confidential classification. Order No. PSC-96-1219-FOF-EI, issued September 24, 1996, in Docket No. 960789-EI requires Gulf to file Supplemental 2. Gulf asserts that the information in Supplemental 2 is confidential information and is treated as such by Gulf and the entity with which it has negotiated a Commercial Service Agreement (CSA) contract under the Commercial Industrial Service Rider (CISR) approved in Order No. PSC-96-1219-FOF-EI, issued September 24, 1996, in Docket No. 960789-EI. Gulf affirms that the information in its Supplemental 2 for October, 1999, has not been publicly disclosed and is not otherwise available.

Gulf requests that lines 21-22 and 33-34 of the Supplemental 2 be granted confidential classification. Gulf maintains that this information is proprietary, confidential business information regarding contractual terms and pricing. According to Gulf, the public disclosure of this information would impair the ability of Gulf to negotiate terms and conditions in future CSAs that are the most favorable to Gulf and its general body of customers. Gulf asserts that the result of disclosure would be price convergence in future CSAs. Moreover, Gulf contends, the public disclosure of this information may prevent Gulf from successfully negotiating CSAs with customers. Gulf maintains that this information is regarded as sensitive and confidential by the CIS rider customer because public disclosure of this information would impact the customer's ability to compete in its "native market." In the event such information is made public, Gulf maintains that future

potential CIS rider customers could avoid the risk of public disclosure of their confidential information by refusing to negotiate with Gulf. Gulf concludes that this may lead to uneconomic bypass of Gulf's facilities. Thus, Gulf requests that this information be granted confidential classification pursuant to Section 366.093(3)(e), Florida Statutes.

Upon review, it appears that the information for which Gulf seeks confidential classification is proprietary, confidential business information which, if disclosed, would tend to harm the competitive interests of Gulf and the entity with which it has negotiated a CSA contract. It appears as if the public disclosure of this information may prevent Gulf from successfully negotiating CSAs with customers. This information is regarded as sensitive and confidential by the CISR customer because public disclosure of this information would impact the customer's ability to compete in its "native market." In the event such information is made public, it appears as if future potential CIS rider customers could avoid the risk of public disclosure of their confidential information by refusing to negotiate with Gulf. This may lead to uneconomic bypass of Gulf's facilities. Therefore, this information is entitled to confidential classification under Section 366.093(3), Florida Statutes. In accord with Section 366.093(4), Florida Statutes, this information shall be granted confidential classification for a period of 18 months from the date of the issuance of this Order.

It is therefore

ORDERED by Commissioner J. Terry Deason, as Prehearing Officer, that the information contained in Document No. 15352-99 is granted confidential classification. It is further

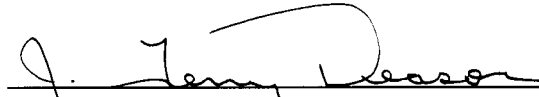

ORDERED that the information contained in Document No. 15352-99 shall be granted confidential classification for a period of 18 months from the date of the issuance of this Order. It is further

ORDERED that this Order shall be the only notice by the Commission to the parties of the declassification date of the material contained in Document No. 15352-99.

By ORDER of Commissioner J. Terry Deason as Prehearing Officer, this 6th Day of January, 2000.
