RE: Clarification of the Record

A handwritten signature in blue ink, appearing to read "Ann Cole", is written over the "FROM:" line of the memo header.

An exhaustive search of the Office of Commission Clerk documents finds that the January 6, 2000, DN 00269-00 filing described as: LEG/Elias, Jaye; EAG/Haff 1/6/00 memo to RAR advising confidential DNs 09057-99 and 11680-99 can be returned to their respective sources, could not be located for scanning and, therefore, is not a part of the electronic record. The attached document confirms that the DN 11680-99 filing was, in fact, returned to the source.

For further information, contact the Office of Commission Clerk.
