Dear Director:

I strongly object...I believe this expansion over-burdens our community...and I resent the inflated and ever rising water sewer rates I pay. I believe that I am financing the expansion of Intercoastal Utilities. Perhaps they should go to the bank, borrow some money, and build a plant on a piece of property somewhere else that can support their ambitious expansion plans. Do you know that when you drive into my community (Sawgrass Country Club) you smell shit. Buddy James told me five months ago it was being taken care of...it has not been. Don't you think that this might have a negative impact on my property value. Do you know that my annual water bill exceeds my annual electric bill.

So yes I object and object strongly. What else can I do to stop the insanity!!!

Sincerely,

Andrew Pheiff
