RE: DOCKET NO. 991632-WS - Application for original certificate to operate water and wastewater utility in Bay County by Dana Utility Corporation.

Issue 1: Should the application of Dana Utility Corporation for original certificates of authorization to operate a water and wastewater utility be granted?

Recommendation: Yes. Dana Utility Corporation should be granted Water Certificate No. 614-W and Wastewater Certificate 529-S to serve the territory described in Attachment A of staff's January 6, 2000 memorandum. The utility should be required to file a separate application in this docket for initial rates and charges with supporting financial, technical, and engineering data by February 20, 2000, consistent with this Commission's vote on the temporary rule waiver in this docket. Further, the utility must file with this Commission an executed copy of the warranty deed within 30 days of the issuance date of the order pursuant to Rule 25-30.033(1)(j), Florida Administrative Code.

Issue 2: Should this docket be closed?

Recommendation: No. This docket should remain open pending completion of the filing requirements by the utility and the establishment of resulting rates and charges by the Commission. The utility should be put on notice that it cannot receive any compensation for utility service until its rates and charges have been established by the Commission pursuant to Sections 367.045, and Section 367.081(1), Florida Statutes.
