I'm confused. We changed the docket title to I AND U per DN 115368-99.
Are you saying it should be IUR?

Linda, we're going to file the same type of recommendation as we did previously. Therefore, please let us know when you have corrected the docket title to reflect "Interconnection, Unbundling and Resale." Donna, the emails from BellSouth and Access One are contained in the attached files and the revised rec is in Calvin's box and will be forwarded to you on or before 1/27 @ noon.
