RE: Docket No. 991685, Item No. 27, January 18, 2000 Agenda

The recommendation for Docket No. 991685 was filed due to language discrepancies in the agreement originally filed between BellSouth Telecommunications, Inc. and BellSouth BSE, Inc. Subsequently staff has received an amendment to this agreement which corrects the language discrepancies and as a result, staff feels that a new recommendation should be filed. For this reason, staff requests that Docket No. 991685 in Item No. 27 of the January 18, 2000 Agenda be deferred to the February 1, 2000 Agenda.

There are four dockets listed in Item No. 27. This request refers only to Docket No. 991685. The other three dockets in Item No. 27 should remain on the January 18, 2000 Agenda with no change.
