Attn: Mr. Butts or Mr. Casey

Gentlemen;

At our Association meeting held January 10, 2000, we had a hand vote to see if there were any objections to the increase in fees for the water and sewer. After some discussion pertaining to the possible costs to be incurred by protesting, with 66 separate lot owners present, the vote was 65 not to protest and 1 wished to. There were no abstentions. Even though there were many more people present at this meeting, only one vote per lot or home.

Also, as to the Telephone conference to be held on January 21st at 9:30 A.M., Mr. Brown, probably Mr. Ronald Lutz, our new President and myself, will be involved for the Association. This will be confirmed at a later date with telephone numbers.

Sincerely,

William E. Reynolds, Pres. B.H.A
