RE: Docket No. 991314-TC

On December 14, 1999, Ms. Donna Giglio called me and advised that she had received Order No. PSC-99-2418-PAA-TC, which was issued on December 8, and which imposed a \$500 fine or canceled the company's certificate. She asked if the Commission had received her settlement offer that was mailed on November 17. I explained that neither CMS nor I show receipt of the settlement offer. I asked her to reprint, resign, and remail the settlement to us. I received the proposal on December 20 and inadvertently failed to send the original to you. Attached is the original.

Since the company has paid the past due fees and proposed a settlement, staff needs to take this docket back to Agenda. Therefore, please add this to the docket file. Let me know if you have any questions.

Bianca S. Bayo, Director
Division of Records and Reporting

Dear Mrs. Bayo,

I am writing this letter in response to Docket No. 991314-T.C.; K. L. Kinard. We have spoken with Paula Isler and mailed out the 98 return to her along with the fees of \$67.50.

We apologize for the oversight in paying these fees as we have just received the rulebook and were unaware of these costs. And now that we are aware, we have taken steps to ensure that this will not happen again.

I am requesting to pay the \$100.00 violation fee as opposed to the \$500.00 fine.

Please let me know if this will be possible and we will take of this as soon as possible.

Sincerely,

Keith Kinard
