Dear Ms. Bayo:

Please accept this letter as a request for clarification of the above referenced Public Service Commission Order.

On June 7, 1999, the Commission issued the above referenced order. The order approved the settlement as proposed by Davel Communications Group, Inc. ("Davel") on behalf of its subsidiaries. In the settlement proposal, Davel states, " Within thirty (30) days of the issuance of the Commission's order approving this settlement proposal and every thirty (30) days thereafter, Davel will provide monthly status reports to the staff on the progress made in correcting the deficiencies."

Davel has been providing these reports to staff on a monthly basis in compliance with the Commission Order. However, it was recently brought to our attention that there is nothing contained within the Order or the settlement which indicates when Davel can cease providing these reports to the Commission staff. We are, therefore, respectfully requesting that the Commission clarify this order and find that Davel may cease providing these reports.

Thank you for your assistance in this matter. If you have further questions or concerns, I may be reached at (813) 628-8000 extension 333.

Sincerely,

Dana Hoyle
Director of Regulatory Affairs
