**REFUND REPORT
MCI WORLDCOM, INC.
DOCKET NO. 991460-TI
FOR FEBRUARY 1, 2000**

1. The amount of money to be refunded and how that amount was computed.

The total refund consists of the credit amount of \$3,186.00 plus \$211.54 of calculated interest for a total refund of \$3,397.54. The calculations were derived by using the figures provided by the Florida Public Service Commission Staff in this docket, multiplying each call record's refund amount by the monthly interest factor matching the call date, and compounding the resulting amount with the remaining months of monthly interest factors.

2. The amount of money actually refunded.

Zero refunds were posted in January, 2000. MCI WorldCom will transmit refunds to Sprint-Florida, Incorporated, no later than February 11, 2000.

Sprint will process the 10-10-220 recovery refund file within 24-48 hours of receipt, with valid refund records posting to customer accounts within 2-3 business days. Actual billing of the 10-10-220 refunds could take an additional month after posting due to scheduled billing cycle dates.

3. The amount of any unclaimed refunds.

Not applicable for January, 2000.

4. The status of any unclaimed amounts.

Not applicable for January, 2000.
