Re: Docket 991771-T1

Dear Ms. Bayo:

In reference to the above docket number, MicroSun Telecommunications has satisfied all past due amounts in full. To prevent this rule violation from happening in the future, I have taken the responsibility of filing these RAFs myself, and am no longer involved with my former partners, who previously had that responsibility. As of the current time, MicroSun is, as far as I am aware, completely current on all filings.

As regards the past rule violation, I would like to propose a settlement offer in the amount of \$100.00. Should this be acceptable, please contact my office and I will make sure that payment is made. Thanking you in advance for your cooperation.

Sincerely,

Sam Raman  
President
