RE: Docket No. 991643-SU - Application of Aloha Utilities, Inc., for increased wastewater rates in its Seven Springs Division

Please note that an informal meeting between Commission Staff and Aloha Utilities, Inc. has been scheduled at the following time and place:

10:30 a.m., Tuesday, February 8, 2000
Room 362, Gunter Building
2540 Shumard Oak Boulevard
Tallahassee, Florida

You may participate by telephone by calling (850) 921-5601 or Suncom 291-5601. The purpose of this meeting will be to discuss the utility's pending rate case, for Aloha's professed need to receive recognition of various required expense changes imposed upon the utility by DEP, and how Aloha might best handle receiving immediate recognition of the substantial change in operations required by DEP. Attendance is not required. However, all interested persons are welcome to attend.

If you have any questions about the meeting, please call Ralph Jaeger at (850) 413-6234.
