Re: Docket No. 991966-TX; OmniCall, Inc.

Dear Ms. Isler:

OmniCall, Inc. was not aware that a 1998 Alternative Local Exchange Company Regulatory Assessment Fee Return was due until after the required due date. On March 23, 1999, Jackie Knight with the Commission informed me that we had failed to file the Interexchange Company Regulatory Assessment Fee Return, but did not inform me that there was another regulatory assessment fee return. However, I should have followed up to assure that all necessary reports had been filed.

OmniCall, Inc. is now aware that these regulatory assessment fee reports are due and, in the future, will make all efforts to file the reports in a timely manner. Please accept our offer of a \$100.00 settlement in lieu of the normally imposed fine of \$500. It is our understanding that the Commission will consider the settlement offer and contact OmniCall, Inc. with the final fine amount due.

Attached please find the 1998 regulatory fee report with a check that includes a penalty and interest fee.

Thank you for your consideration of this matter.

Sincerely,

Lee Haynsworth
Regulatory Manager
