Re: Docket No. 981781-SU; Application for Extension of Service in  
Lee County, Florida to Buccaneer Estates  
Our File No. 16319.29

Dear Billie:

Now that the Commission has disposed of the Intervenor's  
Motions for Rehearing, NFMU needs to move forward with billing the  
customers in accordance with the Settlement Agreement which was  
adopted by the Commission. I would suggest that NFMU bill the  
Buccaneer customers each month for two months of usage until they  
get caught up. Thus, the billing schedule would be as follows:

February - usage for September and October, 1999  
March - usage for November and December, 1999  
April - usage for January and February, 2000  
May - usage for March and April, 2000

We would expect the first bill to be mailed in mid-February,  
2000. Although NFMU believes that it would have the right under  
the Settlement Agreement to demand payment of the past bills in  
total, we believe this is a fair procedure to utilize.
