Dear Ms. Pristas:

This is a follow up to your letter dated January 26 concerning your request to cancel your pay telephone certificate. A company must not have any outstanding balance with the Commission before it can be granted a voluntary cancellation. In this case, you have a balance of \$27.78 from the 1996 regulatory assessment fee return. Our records show that the fee was due by January 30, 1997, but that your payment was not postmarked until November 10, 1998. You paid \$45.72 of the \$50.00 minimum fee, but none of the \$12.50 penalty and \$11.00 interest. This leaves a balance of \$27.78.

Once the Commission receives your check for \$27.78, I will open a docket to cancel your pay telephone certificate with an effective date of December 31, 1999. Please respond by February 21, 2000. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.

Sincerely,
