ISSUED: December 2, 1999

The following Commissioners participated in the disposition of this matter:

JOE GARCIA, Chairman

COPY

ORDER APPROVING RESALE AGREEMENT

BY THE COMMISSION:

On September 22, 1999, Sprint-Florida, Incorporated (Sprint-Florida) and High Tech Communications, Inc. (High Tech Communications) filed a request for approval of a resale agreement pursuant to 47 U.S.C. §252(e) of the Telecommunications Act of 1996 (the Act). The agreement is incorporated by reference herein. A copy of the agreement may be obtained from the official docket file by contacting our Division of Records and Reporting.

Both the Act and Chapter 364, Florida Statutes, encourage parties to enter into negotiated agreements to bring about local exchange competition as quickly as possible. Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(e)(4) requires the state to reject or approve the agreement within 90 days after submission or it shall be deemed approved.

This agreement covers a two-year period and governs the relationship between the companies regarding the resale of tariffed telecommunication services. Under 47 U.S.C. § 252(a)(1), the agreement shall include a detailed schedule of itemized charges for interconnection and each service or network element included in the agreement. The agreement states that telecommunications services provided by Sprint-Florida for resale will be available for purchase by High Tech Communications at varied discount rates.

Upon review of the proposed agreement, we find that it complies with the Telecommunications Act of 1996; thus, we hereby approve it. Sprint-Florida and High Tech Communications must file any supplements or modifications to their agreement with the Commission for review under the provisions of 47 U.S.C. § 252(e).

ORDER NO. PSC-99-2321-FOF-TP
DOCKET NO. 991435-TP
PAGE 2

We note that High Tech Communications does not currently hold a Florida certificate to provide alternative local exchange telecommunications service, and therefore, it cannot provide alternative local exchange telecommunications services under this agreement until it obtains a certificate from this Commission.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the resale agreement between Sprint-Florida, Incorporated and High Tech Communications, Inc., is incorporated by reference in this Order, and is hereby approved. A copy of the agreement may be obtained as specified in the body of this Order. It is further

ORDERED that any supplements or modifications to this agreement must be filed with the Commission for review under the provisions of 47 U.S.C. § 252(e). It is further

Florida Department of Revenue Sales Tax Facts to Remember

DR-11
R. 03/96

1. Every person conducting business in the State of Florida that is subject to sales and use tax is responsible for filing a "Sales and Use Tax Return" at the end of each assigned collection period.
2. In the event that your preprinted sales tax return does not arrive in the mail, it is your responsibility to contact the Florida Department of Revenue and request that a form be sent to you.
3. Your sales tax return is due the 1st of the month following the collection period and late after the 20th. Example: For the collection period ending March 31, the tax return is due on April 1 and late after April 20. (Returns postmarked on the 20th are not considered late.) When the 20th falls on a Saturday, Sunday, or a state or federal holiday, your return must be postmarked on the first working day following the 20th.
4. If your return is filed timely, you are entitled to the specified collection allowance as your commission. If your return is filed late, you lose the collection allowance and will be charged a penalty and interest.
5. You must register each location from which you do business and file a return for each location unless the Department has approved reporting in another manner.
6. You are required to file a return even though you may have no sales tax to report. Late filing of a "zero sales" return will result in a \$10.00 penalty assessment.
7. It is your responsibility to notify the Florida Department of Revenue if you have any changes in your business (new location, mailing address, incorporation, change of partner in partnership, etc.).
8. In the event that your business is sold or closed, the law requires you to pay all taxes, penalty and/or interest due within 15 days. A final return form is included in the sales tax coupon book.
9. You may extend your sales tax number to your suppliers when making purchases of items that will be resold, incorporated into an item of tangible personal property for sale, or exclusively rented as tangible personal property. All other purchases are taxable.
10. When accepting a tax number from another dealer instead of charging sales tax, you must keep on file a "Resale Certificate" which includes: business name, location address, reason for exempt purchase, signature of authorized agent, and tax number. Resale certificates are available at a nominal cost from your local office supply store, or if you prefer, you may have your printer prepare a form for your use. (The Department has a suggested format available upon request.)

Please contact your local Florida Department of Revenue Service Center if you require additional information or assistance regarding Florida Sales and Use Tax.
