Did they say in the letter when they went out of business? I just checked my box and I don't have anything on this company yet. If they say sometime in 1999, then make the effective date 12/31/99. If they don't give any time frame, then put the date the Commission received the request.

Hi Paula. Here's another one for you. They sent in the \$56.00 dollars and a note saying they have no phones. Should we open a docket and if so effective when? Jackie sent you a copy of the paperwork also.

Thank You.
