Subject: ALEC Show Cause Dockets

Please modify the Docket Title for the following dockets which have a TX suffix:

000074 000214 000215 000216 000217 000218
000219 000220 000221 000222 000223 000227
000228 000229 000230 000231 000232 000233
000234 000235 000236 000237 000238 000239

I will bring you a marked up version of the wording. In effect, we are removing reference to violation of Rule 25-4.043, F.A.C., Response to Commission Staff Inquiries.

I have requested an extension for filing and Carol has approved an extension until 2:00pm today. Melinda is very close to completing the revisions on the recs.

As always, Linda your cooperation is very much appreciated.
