Re: Discontinuance of Monthly Reporting Requirements

Dear Ms. Delaney:

The purpose of this correspondence is to notify you that Telaleasing Enterprises, Inc. will no longer be required to submit monthly reports to Commission staff as required by Order No. PSC-99-1134-AS-TC. For your information, staff evaluated 618 Telaleasing pay telephone stations during the period November 1, 1999 through February 29, 2000. Our analysis indicates that Telaleasing's performance resulted in an overall compliance failure rate of 4.2%. The failure compliance rate for the total population of pay telephone stations evaluated for all companies averages 4.7%.

Of the 621 non-compliant conditions, 100 were attributed to "Name of Provider Not Displayed". Our inspection team has been advised that the former Peoples pay telephone stations may continue to display "Peoples" on the pay telephone structure or surrounding facilities. In conversations with Ms. Dana Hoyle, staff was assured that all the placards had been changed to accurately reflect Telaleasing Enterprises, Inc. as the owner and operator of the pay telephone station. We anticipate that our inspection team will no longer see any placards reflecting Peoples as the owner and operator of the pay telephone stations.

At this time, Dockets Nos. 981798-TC, 990109-TC, and 990200-TC have been closed. All conditions of Order No. PSC-99-1134-AS-TC have been satisfied. We encourage you to continue the self evaluations, and prompt and accurate feedback to staff's evaluation reports. We also encourage you to immediately contact our office should you have any questions regarding compliance issues. If you have any questions or comments, please contact me at 850-413-6584.

Sincerely,

Ray E. Kennedy
