**FLORIDA POWER CORPORATION'S RESPONSES TO OGC'S  
THIRD REQUEST FOR PRODUCTION OF DOCUMENTS (NO. 36)  
TO FLORIDA POWER CORPORATION**

Florida Power Corporation ("FPC") responds to the Third Request of Okeechobee Generation Company ("OGC") for Production of Documents (No. 36(a)-(e)) to Florida Power Corporation, subject to all objections thereto previously asserted, by stating that FPC will produce the requested documents as indicated below by sending a copy of same to the attention of Robert Scheffel Wright, Esq., at the offices of Landers & Parsons, P.A., 310 West College Avenue, Tallahassee, Florida 32301, for delivery on Friday, March 17, 2000, pursuant to agreement of counsel:

36(a). Not applicable.

36(b). Not applicable.

36(c). Not applicable.

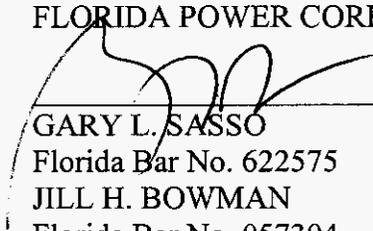

36(d). Please see attached list, captioned "Updated Documents Sent to Cicchetti," for identification of documents responsive to this request. These include documents already in the record of this case or other publicly available materials in the possession of counsel for OGC. Because OGC already has these materials, we will not be producing them. We will produce any items that OGC or its counsel advises it does not already have.

36(e). Apart from the exhibits to Dr. Cicchetti's pre-filed testimony, FPC has not yet determined which documents it will use at the final hearing. FPC reserves the right to use all exhibits filed by all parties, all documents produced or identified during discovery, and all documents that otherwise come to FPC's attention in the course of FPC's investigation and preparation of this case.

Respectfully submitted,

FLORIDA POWER CORPORATION
