This is a follow up to our telephone conversation of February 22. According to the Commission's records, we received a \$58.00 check for the 1998 regulatory assessment fee (RAF), and \$50.00 for the 1999 RAF. The 1998 RAF was underpaid by \$10.50. The company should have paid the \$50.00 RAF, \$12.50 penalty, and \$6.00 interest. Instead, the company paid the \$50.00 RAF and \$8.00 of the \$12.50 penalty, leaving a penalty and interest balance of \$10.50.

Before I can recommend acceptance of the settlement offer, all past due balances must be paid in full. Please have the company pay the \$10.50 balance by March 28. Let me know if you have any questions.
