 RE: Confidential Filings from TECO Power Services Corporation

In compliance with the requirements of the FPSC certification to the Securities and Exchange Commission regarding foreign utility company investments made by TECO Power Services Corporation (TPS), TPS has filed certain documents with this Commission under a request for confidentiality. Staff has discussed this matter with the Company and it has agreed to keep these documents on file in their Tallahassee office and will make them available for our inspection. With this understanding, these documents may be returned to the Company. The Company will withdraw its request for confidential treatment.
