DEAR Sirs:

DE 3 MAR 27 2000

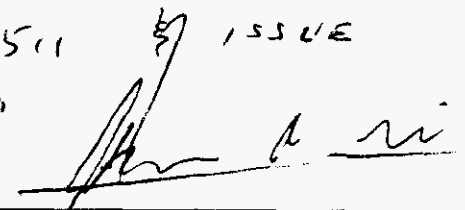

MC

ENCLOSED is my application for certificate and
CKS for \$69.50 for 1998 RAF, \$500.00 for
fine & \$100.00 for new application.

I understand that the yearly report
& payment of fee is required but I
don't believe that I was notified and
sent a report form for 1998 because
my cert was dated in Dec 1998

I have no recollection of receiving the
report form for 1998 - if I had, I
would have paid the \$50 rather than
have my cert. cancelled & have to pay
the \$500 fine.

PLEASE WAIVE RULE 25-24.511 & ISSUE
ME A NEW Certificate
