Netel Inc. is in receipt of a Case Assignment and Scheduling Record in the above-referenced docket, setting for hearing before the Commission the Matter of cancellation of Netel's ALEC Certificate No. 5710 as a result of the Company's failure to submit its Regulatory Assessment Fees: Telecommunications Companies Return for calendar year 1998. Netel's had no intrastate revenues from local telecommunications services within the State of Florida during calendar year 1998, and review of the Company's records indicates that as a result, the ALEC Regulatory Assessment Fees Return was inadvertently omitted. That Return, accompanied by a check for the Minimum assessment amount plus interest and penalties, is enclosed herewith.

Netel regrets this omission and has established internal procedures designed to prevent any inadvertent omission to file require regulatory returns in the future. Accordingly, the Company respectfully request that the Commission forego cancellation of ALEC Certificate No. 5710 and allow Netel to enter into a settlement in the amount of \$100.00 in lieu of the \$500.00 fine.

Look for green background on the front of this check, and the same color on the back. If not present, do not cash.

Dear Ms. Bayo:

Netel Inc. is in receipt of a Case Assignment and Scheduling Record in the above-referenced docket, setting for hearing before the Commission the Matter of cancellation of Netel's ALEC Certificate No. 5710 as a result of the Company's failure to submit its Regulatory Assessment Fees: Telecommunications Companies Return for calendar year 1998. Netel's had no intrastate revenues from local telecommunications services within the State of Florida during calendar year 1998, and review of the Company's records indicates that as a result, the ALEC Regulatory Assessment Fees Return was inadvertently omitted. That Return, accompanied by a check for the Minimum assessment amount plus interest and penalties, is enclosed herewith.

Netel regrets this omission and has established internal procedures designed to prevent any inadvertent omission to file require regulatory returns in the future. Accordingly, the Company respectfully request that the Commission forego cancellation of ALEC Certificate No. 5710 and allow Netel to enter into a settlement in the amount of \$100.00 in lieu of the \$500.00 fine ordinarily imposed for violation of Rule 25-4.0161.

The check for the \$136.17 is for penalty and interest charges for 1998. I will pay the 1999 Regulatory Assessment Fees on April 10, 2000.

The check for \$119.50 is for 1998 & 1999 Regulatory Assessment Fees, penalty and interest on TX196. The company had no revenues on the ALEC end.
