BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

**In re: Petition for Approval)
of Resale Agreement Between)
Sprint-Florida, Incorporated)
And AmeriMex Communications)
Corporation)**

Docket No. 000372-TP

Filed: March 28, 2000

**PETITION OF SPRINT-FLORIDA, INCORPORATED
FOR APPROVAL OF RESALE AGREEMENT
WITH AMERIMEX COMMUNICATIONS CORPORATION**

Sprint-Florida, Incorporated (Sprint-Florida) files this Petition with the Florida Public Service Commission seeking approval of a Resale Agreement which Sprint-Florida has entered with AmeriMex Communications Corporation, Sprint-Florida states:

1. Florida Telecommunications law, Chapter 364, Florida Statutes as amended, requires local exchange carriers such as Sprint-Florida to negotiate mutually acceptable prices, terms and conditions of interconnection and for the resale of services and facilities with alternative local exchange carriers. Section 364.162, Florida Statutes (1996).

2. The Telecommunications Act of 1996, requires that any such agreement adopted by negotiation or arbitration shall be submitted for approval to the State commission 47 U.S.C.252(e).

3. In accordance with the above provisions, Sprint-Florida has entered an Agreement with AmeriMex Communications Corporation, which is or will be a carrier certificated as an alternative local exchange carrier as that term is defined in Section 364.02(1), Florida Statutes (1996). This Agreement was executed on February 8, 2000, and is attached hereto as Attachment A.

4. Under the Federal Act, an agreement can be rejected by the State commission only if the commission finds that the agreement or any portion thereof discriminates against a telecommunications carrier not a party to the agreement or if the implementation of that agreement is not consistent with the public interest, convenience and necessity. 47 U.S.C. 252(e)(2).

5. The Agreement with AmeriMex Communications Corporation does not discriminate against other similarly situated carriers which may order services and facilities from Sprint-Florida under similar terms and conditions. The Agreement is also consistent with the public interest, convenience and necessity. As such, Sprint-Florida seeks approval of the Agreement from the Florida Public Service Commission as required by the Federal statutory provisions noted above.

Wherefore, Sprint-Florida respectfully requests that the Florida Public Service Commission approve the Resale agreement between Sprint-Florida and AmeriMex Communications Corporation

Respectfully submitted this 28th day of March, 2000.

PART B – GENERAL TERMS AND CONDITIONS

2. SCOPE OF THIS AGREEMENT

- 2.1. This Agreement specifies the rights and obligations of each party with respect to the establishment of rates for resale of local telecommunications services.
- 2.2. Sprint may discontinue any Telecommunications Service resold hereunder after providing CLEC reasonable notice, as required by law, of such discontinuation of such service. Sprint agrees to cooperate with CLEC and/or the appropriate regulatory body in any transition resulting from such discontinuation of service and to minimize the impact to customers which may result from such discontinuance of service.
- 2.3. Sprint shall provide notice of network changes and upgrades in accordance with §§ 51.325 through 51.335 of Title 47 of the Code of Federal Regulations.

3. REGULATORY APPROVALS

- 3.1. This Agreement, and any amendment or modification hereof, will be submitted to the Commission for approval in accordance with § 252 of the Act within thirty (30) days after obtaining the last required Agreement signature. Sprint and CLEC shall use their best efforts to obtain approval of this Agreement by any regulatory body having jurisdiction over this Agreement. In the event any governmental authority or agency rejects any provision hereof, the Parties shall negotiate promptly and in good faith such revisions as may reasonably be required to achieve approval.
- 3.2. The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated thereunder by the FCC and the Commission as of the Effective Date (“Applicable Rules”). In the event of any amendment of the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the court, FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, “Amended Rules”), either Party may, by providing written notice to the other Party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

- 3.3. Notwithstanding any other provision of this Agreement to the contrary § 2.2 hereof shall control. Any rates, terms or conditions thus developed or modified shall be substituted in place of those previously in effect and shall be deemed to have been effective under this Agreement as of the effective date established by the Amended Rules, whether such action was commenced before or after the Effective Date of this Agreement. Should the Parties be unable to reach agreement with respect to the applicability of such order or the resulting appropriate modifications to this Agreement, either party may invoke the Dispute Resolution provisions of this Agreement, it being the intent of the parties that this Agreement shall be brought into conformity with the then current obligations under the Act as determined by the Amended Rules.

4. TERM AND TERMINATION

- 4.1. This Agreement shall be deemed effective upon the Effective Date, provided however that if CLEC has any outstanding past due obligations to Sprint, this Agreement will not be effective until such time as any past due obligations with Sprint are paid in full. No order or request for services under this Agreement shall be processed before the Effective Date, except as may otherwise be agreed in writing between the Parties. No order or request for services under this Agreement may be processed before CLEC has established a customer account with Sprint and has completed the Implementation Plan described in Article 32 hereof.
- 4.2. Except as provided herein, Sprint and CLEC agree to provide service to each other on the terms of this Agreement for a period from the Effective Date through and including February 14, 2002 (the "End Date").
- 4.3. In the event of either Party's material breach of any of the terms or conditions hereof, including the failure to make any undisputed payment when due, the non-defaulting Party may immediately terminate this Agreement in whole or in part provided that the non-defaulting Party so advises the defaulting Party in writing of the event of the alleged default and the defaulting Party does not remedy the alleged default within sixty (60) days after written notice thereof.
- 4.4. Termination of this Agreement for any cause shall not release either Party from any liability which at the time of termination has already accrued to the other Party or which thereafter may accrue in respect to any act or omission prior to termination or from any obligation which is expressly stated herein to survive termination.
- 4.5. Notwithstanding the above, should Sprint sell or trade substantially all the assets in an exchange or group of exchanges that Sprint uses to provide Telecommunications Services, then Sprint may terminate this Agreement in

whole or in part as to that particular exchange or group of exchanges upon sixty (60) days prior written notice.

5. POST EXPIRATION INTERIM SERVICE ARRANGEMENTS

- 5.1. In the event that this Agreement expires under §4.2, it is the intent of the Parties to provide in this Section for post-expiration interim service arrangements between the Parties so that service to their respective end users will not be interrupted should a new agreement not be consummated prior to the End Date. Therefore, except in the case of termination as a result of either Party's default under §4.3, or for termination upon sale under §4.5, Interconnection services that had been available under this Agreement and exist as of the End Date may continue uninterrupted after the End Date at the written request of either Party only under the terms of:
- 5.1.1. a new agreement voluntarily entered into by the Parties, pending approval by the Commission; or
 - 5.1.2. such standard terms and conditions or tariffs approved by and made generally available by the Commission, if they exist at the time of expiration; or
 - 5.1.3. an existing agreement between Sprint and another carrier, adopted by CLEC for the remaining term of that agreement.
- 5.2. In the event that this Agreement expires under §4.2, and at the time of expiration, the Parties are actually in arbitration or mediation before the appropriate Commission or FCC under §252 of the Act, then at the request of either Party, the Parties shall provide each other Interconnection services after the End Date under the same terms as the expired Agreement. Service under these terms will continue in effect only until the issuance of an order, whether a final non-appealable order or not, by the Commission or FCC, resolving the issues set forth in such arbitration or mediation request.

6. CHARGES AND PAYMENT

- 6.1. In consideration of the services provided by Sprint under this Agreement, CLEC shall pay the charges set forth in Exhibit 1 subject to the provisions of §§ 3.2 and 3.3 hereof.
- 6.2. Subject to the terms of this Agreement, the Parties shall pay invoices by the due date shown on the invoice. For invoices not paid when due, late payment charges will be assessed under §6.4. If the payment due date is a Saturday, Sunday or a designated bank holiday, payment shall be made the next business day.
- 6.3. Itemized, written disputes must be filed with Sprint's National Exchange Access Center ("NEAC") no later than the due date of the related invoice.

A copy of the dispute must be sent with the remittance of the remainder of the invoice. CLEC will pay the invoice in full pending the dispute. If the dispute is upheld, Sprint will refund any amount found in favor of CLEC with interest at the rate in §6.4 from the date the payment was received by Sprint. If the dispute is resolved in favor of Sprint, CLEC will pay any amounts due, plus interest at the rate in Section 6.4 from the original due date of the invoice.

- 6.4. Sprint will assess late payment charges to CLEC equal to the lesser of one and one-half percent (1.5%) per month or the maximum rate allowed by law for commercial transactions, of the balance due, until the amount due is paid in full.

7. AUDITS AND EXAMINATIONS

- 7.1. As used herein "Audit" shall mean a comprehensive review of services performed under this Agreement; "Examination" shall mean an inquiry into a specific element of or process related to services performed under this Agreement. Either party (the "Requesting Party") may perform one (1) Audit per twelve- (12) month period commencing with the Effective Date. The Audit period will include no more than the preceding twelve (12) month period as of the date of the Audit request. The Requesting Party may perform Examinations, as it deems necessary, with the assistance of the other Party, which will not be unreasonably withheld.
- 7.2. Upon thirty (30) days written notice by the Requesting Party to Audited Party, Requesting Party shall have the right through its authorized representative to make an Audit or Examination, during normal business hours, of any records, accounts and processes which contain information bearing upon the provision of the services provided and performance standards agreed to under this Agreement. Within the above-described thirty (30) day period, the Parties shall reasonably agree upon the scope of the Audit or Examination, the documents and processes to be reviewed, and the time, place and manner in which the Audit or Examination shall be performed. Audited Party agrees to provide Audit or Examination support, including appropriate access to and use of Audited Party's facilities (e.g.: conference rooms, telephones, copying machines).
- 7.3. Each party shall bear its own expenses in connection with the conduct of the Audit or Examination. The reasonable cost of special data extraction (creation of an output record or informational report from existing data files that is not created in the normal course of business) required by the Requesting Party to conduct the Audit or Examination will be paid by the Requesting Party. If any program is developed to Requesting Party's specifications and at Requesting Party's expense, Requesting Party shall specify at the time of request whether the program is to be retained by Audited party for reuse for any subsequent Audit or Examination.

- 7.4. Adjustments based on the audit findings may be applied to the twelve- (12) month period included in the audit. Adjustments, credits or payments shall be made and any corrective action shall commence within thirty (30) days from receipt of requesting Party's receipt of the final audit report to compensate for any errors or omissions which are disclosed by such Audit or Examination and are agreed to by the Parties. Interest shall be calculated in accordance with § 5.5 above.
- 7.5. Neither such right to examine and audit nor the right to receive an adjustment shall be affected by any statement to the contrary appearing on checks or otherwise, unless such statement expressly waiving such right appears in writing, is signed by the authorized representative of the party having such right and is delivered to the other party in a manner sanctioned by this Agreement.
- 7.6. This Article 7 shall survive expiration or termination of this Agreement for a period of one (1) year after expiration or termination of this Agreement.

8. INTELLECTUAL PROPERTY RIGHTS

- 8.1. Any intellectual property, which originates from or is developed by a Party, shall remain in the exclusive ownership of that Party. Except for a limited license to use patents or copyrights to the extent necessary for the Parties to use any facilities or equipment (including software) or to receive any service solely as provided under this Agreement, no license in patent, copyright, trademark or trade secret, or other proprietary or intellectual property right now or hereafter owned, controlled or licensable by a Party, is granted to the other Party or shall be implied or arise by estoppel.
- 8.2. Neither Party shall have any obligation to defend, indemnify or hold harmless, or acquire any license or right for the benefit of, or owe any other obligation or any liability to, the other Party based on or arising from any claim, demand, or proceeding by any third party alleging or asserting that the use of any circuit, apparatus or system, or the use of any software, or the performance of any service or method, or the provision or use of any facilities by either party under this Agreement, constitutes direct or contributory infringement, or misuse or misappropriation of any patent, copyright, trademark, trade secret, or any other proprietary or intellectual property right of any third party.
- 8.3. Following notice of an infringement claim against either Party based on the use by the other Party of a service or facility, the other Party shall at its expense, procure from the appropriate third parties the right to continue to use the alleged infringing intellectual property.

9. LIMITATION OF LIABILITY

- 9.1. Except as otherwise set forth in this Agreement, neither Party shall be responsible to the other for any indirect, special, consequential or punitive damages, including (without limitation) damages for loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted, or done hereunder (collectively "Consequential Damages"), whether arising in contract or tort, provided that the foregoing shall not limit a Party's obligation under Article 10 to indemnify, defend, and hold the other Party harmless against amounts payable to third parties. Notwithstanding the foregoing, in no event shall Sprint's liability to CLEC for a service outage exceed an amount equal to the proportionate charge for the service(s) provided for the period during which the service was affected.

10. INDEMNIFICATION

- 10.1. Each Party agrees to indemnify and hold harmless the other Party from and against claims by third parties for damage to tangible personal or real property and/or personal injuries to the extent caused by the negligence or willful misconduct or omission of the indemnifying Party.
- 10.2. *CLEC shall indemnify and hold harmless Sprint from all claims by CLEC's subscribers.*
- 10.3. Sprint shall indemnify and hold harmless CLEC from all claims by Sprint's subscribers.
- 10.4. The indemnifying Party under this Article agrees to defend any suit brought against the other Party either individually or jointly with the indemnified Party for any such loss, injury, liability, claim or demand.
- 10.5. The indemnified Party agrees to notify the other Party promptly, in writing, of any written claims, lawsuits, or demands for which it is claimed that the indemnifying Party is responsible under this Article and to cooperate in every reasonable way to facilitate defense or settlement of claims.
- 10.6. The indemnifying Party shall have complete control over defense of the case and over the terms of any proposed settlement or compromise thereof. The indemnifying Party shall not be liable under this Article for settlement by the indemnified Party of any claim, lawsuit, or demand, if the indemnifying Party has not approved the settlement in advance, unless the indemnifying Party has had the defense of the claim, lawsuit, or demand tendered to it in writing and has failed to promptly assume such defense. In the event of such failure to assume defense, the indemnifying Party shall be liable for any reasonable settlement made by the indemnified Party without approval of the indemnifying Party.

- 10.7. When the lines or services of other companies and CLECs are used in establishing connections to and/or from points not reached by a Party's lines, neither Party shall be liable for any act or omission of the other companies or carriers.
- 10.8. In addition to its indemnity obligations hereunder, each Party shall, to the extent allowed by law or Commission Order, provide, in its tariffs and contracts with its subscribers that relate to any Telecommunications Services provided or contemplated under this Agreement, that in no case shall such Party or any of its agents, contractors or others retained by such Party be liable to any subscriber or third party for
 - 10.8.1. any loss relating to or arising out of this Agreement, whether in contract or tort, that exceeds the amount such Party would have charged the applicable subscriber for the service(s) or function(s) that gave rise to such loss, and
 - 10.8.2. Consequential Damages (as defined in Article 9 above).

11. BRANDING

- 11.1. CLEC shall provide the exclusive interface to CLEC subscribers, except as CLEC shall otherwise specify for the reporting of trouble or other matters identified by CLEC for which Sprint may directly communicate with CLEC subscribers. In those instances where CLEC requests that Sprint personnel interface with CLEC subscribers, such Sprint personnel shall inform the CLEC subscribers that they are representing CLEC, or such brand as CLEC may specify.
- 11.2. Other business materials furnished by Sprint to CLEC subscribers shall bear no corporate name, logo, trademark or tradename.
- 11.3. Except as specifically permitted by a Party, in no event shall either Party provide information to the other Party's subscribers about the other Party or the other Party's products or services.
- 11.4. Sprint shall share pertinent details of Sprint's training approaches related to branding with CLEC to be used by Sprint to assure that Sprint meets the branding requirements agreed to by the Parties.
- 11.5. This Article 11 shall not confer on either Party any rights to the service marks, trademarks and/or trade names owned by or used in connection with services by the other Party, except as expressly permitted in writing by the other Party.

12. REMEDIES

- 12.1. Except as otherwise provided herein, all rights of termination, cancellation or other remedies prescribed in this Agreement, or otherwise available, are cumulative and are not intended to be exclusive of other remedies to which the injured Party may be entitled in case of any breach or threatened breach by the other Party of any provision of this Agreement, and use of one or more remedies shall not bar use of any other remedy for the purpose of enforcing the provisions of this Agreement.

13. CONFIDENTIALITY AND PUBLICITY

- 13.1. All information which is disclosed by one party ("Disclosing Party") to the other ("Recipient") in connection with this Agreement, or acquired in the course of performance of this Agreement, shall be deemed confidential and proprietary to the Disclosing Party and subject to this Agreement, such information including but not limited to, orders for services, usage information in any form, and CPNI as that term is defined by the Act and the rules and regulations of the FCC ("Confidential and/or Proprietary Information").

- 13.2.1. use it only for the purpose of performing under this Agreement,
 - 13.2.2. hold it in confidence and disclose it only to employees or agents who have a need to know it in order to perform under this Agreement, and
 - 13.2.3. safeguard it from unauthorized use or Disclosure using no less than the degree of care with which Recipient safeguards its own Confidential Information.
- 13.3. Recipient shall have no obligation to safeguard Confidential Information
- 13.3.1. which was in the Recipient's possession free of restriction prior to its receipt from Disclosing Party,
 - 13.3.2. which becomes publicly known or available through no breach of this Agreement by Recipient,
 - 13.3.3. which is rightfully acquired by Recipient free of restrictions on its Disclosure, or
 - 13.3.4. which is independently developed by personnel of Recipient to whom the Disclosing Party's Confidential Information had not been previously disclosed.

- 13.4. Recipient may disclose Confidential Information if required by law, a court, or governmental agency, provided that Disclosing Party has been notified of the requirement promptly after Recipient becomes aware of the requirement, and provided that Recipient undertakes all lawful measures to avoid disclosing such information until Disclosing Party has had reasonable time to obtain a protective order. Recipient agrees to comply with any protective order that covers the Confidential Information to be disclosed.
- 13.5. Each Party agrees that in the event of a breach of this Article 13 by Recipient or its representatives, Disclosing Party shall be entitled to equitable relief, including injunctive relief and specific performance. Such remedies shall not be exclusive, but shall be in addition to all other remedies available at law or in equity.
- 13.6. Unless otherwise agreed, neither Party shall publish or use the other Party's logo, trademark, service mark, name, language, pictures, or symbols or words from which the other Party's name may reasonably be inferred or implied in any product, service, advertisement, promotion, or any other publicity matter, except that nothing in this paragraph shall prohibit a Party from engaging in valid comparative advertising. This §13.5 shall confer no rights on a Party to the service marks, trademarks and trade names owned or used in connection with services by the other Party or its Affiliates, except as expressly permitted by the other Party.
- 13.7. Neither Party shall produce, publish, or distribute any press release nor other publicity referring to the other Party or its Affiliates, or referring to this Agreement, without the prior written approval of the other Party. Each party shall obtain the other Party's prior approval before discussing this Agreement in any press or media interviews. In no event shall either Party mischaracterize the contents of this Agreement in any public statement or in any representation to a governmental entity or member thereof.
- 13.8. Except as otherwise expressly provided in this Article 13, nothing herein shall be construed as limiting the rights of either Party with respect to its customer information under any applicable law, including without limitation § 222 of the Act.

14. DISCLAIMER OF WARRANTIES

- 14.1. **EXCEPT AS SPECIFICALLY PROVIDED ELSEWHERE IN THIS AGREEMENT TO THE CONTRARY, NEITHER PARTY MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO QUALITY, FUNCTIONALITY OR CHARACTERISTICS OF THE SERVICES PROVIDED PURSUANT TO THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE. NO**

REPRESENTATION OR STATEMENT MADE BY EITHER PARTY OR ANY OF ITS AGENTS OR EMPLOYEES, ORAL OR WRITTEN, INCLUDING, BUT NOT LIMITED TO, ANY SPECIFICATIONS, DESCRIPTIONS OR STATEMENTS PROVIDED OR MADE SHALL BE BINDING UPON EITHER PARTY AS A WARRANTY.

15. ASSIGNMENT AND SUBCONTRACT

- 15.1. If any Affiliate of either Party succeeds to that portion of the business of such Party that is responsible for, or entitled to, any rights, obligations, duties, or other interests under this Agreement, such Affiliate may succeed to those rights, obligations, duties, and interest of such Party under this Agreement. In the event of any such succession hereunder, the successor shall expressly undertake in writing to the other Party the performance and liability for those obligations and duties as to which it is succeeding a Party to this Agreement. Thereafter, the successor Party shall be deemed CLEC or Sprint and the original Party shall be relieved of such obligations and duties, except for matters arising out of events occurring prior to the date of such undertaking.
- 15.2. Except as provided in § 15.1, any assignment of this Agreement or of the work to be performed, in whole or in part, or of any other interest of a Party hereunder, without the other Party's written consent, which consent shall not be unreasonably withheld or delayed, shall be void.

16. GOVERNING LAW

- 16.1. This Agreement shall be governed by and construed in accordance with the Act, the FCC's Rules and Regulations, and orders of the Commission, except insofar as state law may control any aspect of this Agreement, in which case the domestic laws of the State of Florida, without regard to its conflicts of laws principles, shall govern.

17. RELATIONSHIP OF PARTIES

- 17.1. It is the intention of the Parties that each Party shall be an independent contractor and nothing contained herein shall constitute the Parties as joint venturers, partners, employees or agents of one another, and neither Party shall have the right or power to bind or obligate the other.

18. NO THIRD PARTY BENEFICIARIES

- 18.1. The provisions of this Agreement are for the benefit of the Parties hereto and not for any other person, and this Agreement shall not provide any person not a party hereto with any remedy, claim, liability, reimbursement, right of action, or other right in excess of those existing without reference

hereto. This shall not be construed to prevent CLEC from providing its Telecommunications Services to other carriers.

If delivery via certified mail, return receipt requested, is used, notice shall be effective when sent. The address to which notices or communications may be given to either Party may be changed by written notice given by such Party to the other pursuant to this Article 19.

20. WAIVERS

- 20.1. No waiver of any provisions of this Agreement and no consent to any default under this Agreement shall be effective unless the same shall be in writing and properly executed by or on behalf of the Party against whom such waiver or consent is claimed.
- 20.2. No course of dealing or failure of any Party to strictly enforce any term, right, or condition of this Agreement in any instance shall be construed as a general waiver or relinquishment of such term, right or condition.
- 20.3. Waiver by either Party of any default by the other Party shall not be deemed a waiver of any other default.

21. SURVIVAL

21.1. Termination of this Agreement, or any part hereof, for any cause shall not release either Party from any liability which at the time of termination had already accrued to the other Party or which thereafter accrues in any respect to any act or omission occurring prior to the termination or from an obligation which is expressly stated in this Agreement to survive termination including but not limited to §§7, 8, 10, 11, 13, 16, 19, 23, 25, and 27.

22. FORCE MAJEURE

22.1. Neither Party shall be held liable for any delay or failure in performance of any part of this Agreement from any cause beyond its control and without its fault or negligence, such as acts of God, acts of civil or military authority, embargoes, epidemics, war, terrorist acts, riots, insurrections, fires, explosions, earthquakes, nuclear accidents, floods, power blackouts, strikes, work stoppage affecting a supplier or unusually severe weather. No delay or other failure to perform shall be excused pursuant to this Article 22 unless delay or failure and consequences thereof are beyond the control and without the fault or negligence of the Party claiming excusable delay or other failure to perform. Subject to Article 4 hereof, in the event of any such excused delay in the performance of a Party's obligation(s) under this Agreement, the due date for the performance of the original obligation(s) shall be extended by a term equal to the time lost by reason of the delay. In the event of such delay, the delayed Party shall perform its obligations at a performance level no less than that which it uses for its own operations. In the event of such performance delay or failure by Sprint, Sprint agrees to resume performance in a nondiscriminatory manner and not favor its own provision of Telecommunications Services above that of CLEC.

23. DISPUTE RESOLUTION

23.1. The Parties recognize and agree that the Commission has continuing jurisdiction to implement and enforce all terms and conditions of this Agreement. Accordingly, the Parties agree that any dispute arising out of or relating to this Agreement that the Parties themselves cannot resolve may be submitted to the Commission for resolution. The Parties agree to seek expedited resolution by the Commission, and shall request that resolution occur in no event later than sixty (60) days from the date of submission of such dispute. If the Commission appoints an expert(s) or other facilitator(s) to assist in its decision making, each party shall pay half of the fees and expenses so incurred. During the Commission proceeding each Party shall continue to perform its obligations under this Agreement provided, however, that neither Party shall be required to act in any unlawful fashion.

This provision shall not preclude the Parties from seeking relief available in any other forum.

- 23.2. If any matter is subject to a bona fide dispute between the Parties, the disputing Party shall within thirty (30) days of the event giving rise to the dispute, give written notice to the other Party of the dispute and include in such notice the specific details and reasons for disputing each item.
- 23.3. If the Parties are unable to resolve the issues related to the dispute in the normal course of business within thirty (30) days after delivery of notice of the Dispute, to the other Party, the dispute shall be escalated to a designated representative who has authority to settle the dispute and who is at a higher level of management than the persons with direct responsibility for administration of this Agreement. The designated representatives shall meet as often as they reasonably deem necessary in order to discuss the dispute and negotiate in good faith in an effort to resolve such dispute, but in no event shall such resolution exceed 60 days from the initial notice. The specific format for such discussions will be left to the discretion of the designated representatives, provided, however, that all reasonable requests for relevant information made by one Party to the other Party shall be honored.
- 23.4. After such period either Party may file a complaint with the FCC or Commission to resolve such issues.

24. COOPERATION ON FRAUD

- 24.1. The Parties agree that they shall cooperate with one another to investigate, minimize and take corrective action in cases of fraud. The Parties fraud minimization procedures are to be cost effective and implemented so as not to unduly burden or harm one party as compared to the other.

25. TAXES

- 25.1. Any Federal, state or local excise, license, sales, use, or other taxes or tax-like charges (excluding any taxes levied on income) resulting from the performance of this Agreement shall be borne by the Party upon which the obligation for payment is imposed under applicable law, even if the obligation to collect and remit such taxes is placed upon the other Party. Any such taxes shall be shown as separate items on applicable billing documents between the Parties. The Party obligated to collect and remit taxes shall do so unless the other Party provides such Party with the required evidence of exemption. The Party so obligated to pay any such taxes may contest the same in good faith, at its own expense, and shall be entitled to the benefit of any refund or recovery, provided that such party shall not permit any lien to exist on any asset of the other party by reason of the contest. The Party obligated to collect and remit taxes shall cooperate

fully in any such contest by the other Party by providing records, testimony and such additional information or assistance as may reasonably be necessary to pursue the contest.

26. AMENDMENTS AND MODIFICATIONS

26.1. No provision of this Agreement shall be deemed waived, amended or modified by either party unless such a waiver, amendment or modification is in writing, dated, and signed by both Parties.

27. SEVERABILITY

27.1. Subject to §3.2, if any part of this Agreement becomes or is held to be invalid for any reason, such invalidity will affect only the portion of this Agreement that is invalid. In all other respects this Agreement will stand as if such invalid provision had not been a part thereof, and the remainder of the Agreement shall remain in full force and effect.

28. HEADINGS NOT CONTROLLING

28.1. The headings and numbering of Articles, Sections, Parts and Attachments in this Agreement are for convenience only and shall not be construed to define or limit any of the terms herein or affect the meaning or interpretation of this Agreement.

29. ENTIRE AGREEMENT

29.1. This Agreement, including all Parts and Attachments and subordinate documents attached hereto or referenced herein, all of which are hereby incorporated by reference, constitute the entire matter thereof, and supersede all prior oral or written agreements, representations, statements, negotiations, understandings, proposals, and undertakings with respect to the subject matter thereof.

30. COUNTERPARTS

30.1. This Agreement may be executed in counterparts. Each counterpart shall be considered an original and such counterpart shall together constitute one and the same instrument.

31. SUCCESSORS AND ASSIGNS

31.1. This Agreement shall be binding upon, and inure to the benefit of, the Parties hereto and their respective successors and permitted assigns.

32. IMPLEMENTATION PLAN

- 32.1. This Agreement sets forth the overall standards of performance for services, processes, and systems capabilities that the Parties will provide to each other, and the intervals at which those services, processes and capabilities will be provided. The Parties understand that the arrangements and provision of services described in this Agreement shall require technical and operational coordination between the Parties. Accordingly, the Parties agree to form a team (the "Implementation Team") that shall develop and identify those processes, guidelines, specifications, standards and additional terms and conditions necessary to support the terms of this Agreement. Each Party shall designate, in writing, no more than four (4) persons to be permanent members of the Implementation Team; provided that either Party may include in meetings or activities such technical specialists or other individuals as may be reasonably required to address a specific task, matter or subject. Each Party may replace its representatives by delivering written notice thereof to the other Party.
- 32.2. The agreements reached by the Implementation Team shall be documented in an operations manual (the "Implementation Plan") within one hundred-twenty (120) days of both Parties having designated members of the Implementation Team. The Implementation Plan shall address the following matters, and may include any other matters agreed upon by the Implementation Team:
- 32.2.1. the respective duties and responsibilities of the Parties with respect to the administration and maintenance of the interconnections (including signaling) specified in Attachment 3 and the trunk groups specified in Attachment 4 and, including standards and procedures for notification and discoveries of trunk disconnects;
 - 32.2.2. disaster recovery and escalation provisions;
 - 32.2.3. access to Operations Support Systems functions provided hereunder, including gateways and interfaces;
 - 32.2.4. escalation procedures for ordering, provisioning, billing, and maintenance;
 - 32.2.5. single points of contact for ordering, provisioning, billing, and maintenance;
 - 32.2.6. service ordering and provisioning procedures, including provision of the trunks and facilities;
 - 32.2.7. provisioning and maintenance support;
 - 32.2.8. conditioning and provisioning of collocation space and maintenance of Virtually Collocated equipment;

- 32.2.9. procedures and processes for Directories and Directory Listings;
- 32.2.10. billing processes and procedures;
- 32.2.11. network planning components including time intervals;
- 32.2.12. joint systems readiness and operational readiness plans;
- 32.2.13. appropriate testing of services, equipment, facilities and Network Elements;
- 32.2.14. monitoring of inter-company operational processes;
- 32.2.15. procedures for coordination of local PIC changes and processing;
- 32.2.16. physical and network security concerns;
- 32.2.17. Completion of CLEC Checklist and supporting documentation to establish a billing account; and
- 32.2.18. such other matters specifically referenced in this Agreement that are to be agreed upon by the Implementation Team and/or contained in the Implementation Plan.

32.3. The Implementation Plan may be amended from time to time by the Implementation Team, as the team deems appropriate. Unanimous written consent of the permanent members of the Implementation Team shall be required for any action of the Implementation Team. If the Implementation Team is unable to act, the existing provisions of the Implementation Plan shall remain in full force and effect.

33. FEDERAL JURISDICTIONAL AREAS

33.1. CLEC understands and agrees that this agreement serves as actual notice that Sprint and its Affiliates have entered into a binding contract to provide exclusive telecommunications services for the Army and Air Force Exchange Service ("AAFES") during the term of this agreement. The AAFES contract specifies, among other things, that Sprint shall provide all telecommunications services to officer and enlisted temporary living facilities (commonly named Bachelor Officer Quarters and Bachelor Enlisted Quarters) on United States Army bases. Sprint will be entitled to refuse to resell telecommunications services where such sale would be contrary to the AAFES agreement. CLEC is entitled to communicate to any potential CLEC customer that CLEC is unable to provide the customer telecommunications services because of the AAFES agreement.

PART C – PROVISIONS RELATING TO RESALE

34. RESALE OF LOCAL SERVICES

34.1. Scope

- 34.1.1. Sprint retail Telecommunications Services shall be available for resale at wholesale prices pursuant to 47 USC § 251(c)(4). Services that are not retail Telecommunications Services and, thus, not covered by this Agreement and not available for resale at wholesale prices include, but are not limited to, Paging, Inside Wire Installation and Maintenance, CMRS services, Lifeline services and similar government programs (underlying Telecommunications Service will be resold but CLEC must qualify its offering for these programs), promotions of ninety (90) days or less and Employee Concessions.
- 34.1.2. COCOT lines or Pay Telephone Access Lines will be sold at wholesale prices to Carrier for the purposes of resale to third parties providing pay telephone service to the public. Provision of pay telephone service by Carrier directly to the public or resale to entities or organizations affiliated with or having the same or substantially similar identity as Carrier, using COCOT lines or Pay Telephone Access Lines purchased at wholesale, is not allowable resale under the Agreement and is a material breach of the terms of this Agreement pursuant to Part B, § 4.3.
- 34.1.3. Except as set forth above and as may be allowed by the FCC or Commission, Sprint shall not place conditions or restrictions on CLEC's resale of wholesale regulated Telecommunications Services, except for restrictions on the resale of residential service to other classifications (e.g., residential service to business customers) and for promotions of 90-days or less in length. In addition, CLEC shall be prohibited from marketing its products using the Sprint product name (i.e., CLEC may purchase the features package called "Sprint Essential" but shall be prohibited from reselling this product using the Sprint brand name or the Sprint product name.) Every regulated retail service rate, including promotions over ninety (90) days in length, discounts, and option plans will have a corresponding wholesale rate. Sprint will make wholesale telecommunications service offerings available for all new regulated services at the same time the retail service becomes available.
- 34.1.4. Sprint will continue to provide existing databases and signaling support for wholesale services at no additional cost.

- 34.1.5. Sprint will make any service grandfathered to an end-user or any Individual Case Basis (“ICB”) service available to CLEC for resale to that same end-user at the same location(s). Should Sprint discontinue any grandfathered or ICB service Sprint will provide to CLEC any legally required notice as soon as practicable and at least equal in quality and timeliness to that which is provided to Sprint’s own customers, prior to the effective date of changes in or discontinuation of any product or service that is available for resale under this Subsection.
- 34.1.6. Sprint shall have the right to review and audit any records of Carrier, in accordance with Part B, Article 7 of this Agreement, to determine whether Carrier is in compliance with the conditions or restrictions on resale provided in the Article 34.
- 34.1.7. Sprint will continue to provide Primary Interexchange Carrier (“PIC”) processing for those end-users obtaining resold service from CLEC. Sprint will bill and CLEC will pay any PIC change charges. Sprint will only accept said requests for PIC changes from CLEC and not from CLEC’s end users.
- 34.1.8. Sprint shall allow CLEC customers to retain their current telephone number when technically feasible within the same Sprint Wire Center and shall install CLEC customers at Parity unless CLEC customers currently subscribe to Vacation Service only or are currently in the process of having their service suspended for non-pay. In such cases Sprint will treat the CLEC customer as a new installation at the request of the CLEC.

34.2. Charges and Billing

- 34.2.1. Access services, including revenues associated therewith, provided in connection with the resale of services hereunder shall be the responsibility of Sprint and Sprint shall directly bill and receive payment on its own behalf from an IXC for access related to interexchange calls generated by resold or rebranded customers.
- 34.2.2. Sprint will be responsible for returning EMI/EMR records to IXCs with the proper EMR Return Code along with the Operating Company Number (“OCN”) of the associated Automatic Number Identification (“ANI”), (i.e., Billing Number).
- 34.2.3. Sprint will deliver a monthly statement for wholesale services as follows:

- 34.2.3.1. Invoices will be provided in a standard CLEC access billing format or other such format as Sprint may determine;
 - 34.2.3.2. Originating local usage, at the call detail level and in standard EMR industry format, will be exchanged daily or at other mutually agreed upon intervals in those instances in which CLEC and the user choose Sprint provided services that are local usage sensitive and create message detail;
 - 34.2.3.3. The Parties will work cooperatively to exchange information to facilitate the billing of in and out collect and inter/intra-region alternately billed messages;
 - 34.2.3.4. Sprint agrees to provide information on the end-user's selection of special features where Sprint maintains such information (e.g., billing method, special language) when CLEC places the order for service;
 - 34.2.3.5. Monthly recurring charges for Telecommunications Services sold pursuant to this Agreement shall be billed monthly in advance.
- 34.2.4. For billing purposes, and except as otherwise specifically agreed to in writing, the Telecommunications Services provided hereunder are furnished for a minimum term of one month. Each month is presumed to have thirty (30) days. Sprint shall bill for message provisioning, data tape charges, and for additional copies of the monthly invoice.

34.3. Pricing

- 34.3.1. Pricing shall be developed based on 47 USC § 252(d)(3), as now enacted or as hereafter amended, where wholesale prices are retail prices less avoided costs, net of any additional costs imposed by wholesale operations, unless otherwise ordered by the Commission. The wholesale rate shall be as set forth on Attachment I. Additional rates for new or additional services shall be added at the time said new or additional services are offered.

34.4. Provisioning and Installation

- 34.4.1. Electronic Interfaces for the exchange of ordering information will be adopted and made available to CLEC in accordance with Sprint operating procedures.
- 34.4.2. CLEC and Sprint may order Primary Local Carrier ("PLC") and PIC records changes using the same order process and on a unified order (the "LSR").

- 34.4.3. A general Letter of Agency ("LOA") initiated by CLEC or Sprint will be required to process a PLC or PIC change order. No LOA signed by the end-user will be required to process a PLC or PIC change ordered by CLEC or Sprint. CLEC and Sprint agree that PLC and PIC change orders will be supported with appropriate documentation and verification as required by FCC and Commission rules. In the event of a subscriber complaint of an unauthorized PLC record change where the Party that ordered such change is unable to produce appropriate documentation and verification as required by FCC and Commission rules, or, if there are no rules applicable to PLC record changes, then such rules as are applicable to changes in long distance carriers of record shall apply, such Party shall be liable to pay and shall pay all nonrecurring charges associated with reestablishing the subscriber's local service with the original local carrier as well as an Unauthorized Local Service Provider Change Charge as detailed in the applicable State Local Access Tariff.
- 34.4.4. Each Party will provide the other, if requested, as agent of the end-user customer, at the time of the PLC order, current "As Is" pre-ordering/ordering information relative to the end-user consisting of local features, products, services, elements, combinations, and any customer status qualifying the customer for a special service (e.g., DA exempt, lifeline, etc.) provided by the Party to that end-user. Each Party is responsible for ordering the Telecommunications Services desired by the end-user customer.
- 34.4.5. Sprint shall provide CLEC the ability to obtain telephone numbers, including vanity numbers from Sprint where Sprint offers these services to its end users, and to assign these numbers with the CLEC customer. Reservation and aging of numbers remain the responsibility of the Sprint. CLEC shall pay Sprint the reasonable administrative costs of this function, and the monthly recurring charges listed in the appropriate State Local Access Tariff.
- 34.4.6. Sprint shall provide CLEC the ability to order all available features on its switches at parity with what Sprint offers to its own end user customers (e.g., call blocking of 900 and 976 calls by line or trunk).
- 34.4.7. Sprint will direct customer to CLEC for requests changing their CLEC service. Sprint shall process all PIC changes provided by CLEC on behalf of IXCs. If PIC changes are received by Sprint directly from IXCs, Sprint shall reject the PIC change back to the IXC with the OCN of CLEC in the appropriate field of the industry standard CARE record.

35. NETWORK MAINTENANCE AND MANAGEMENT

35.1. General Requirements

- 35.1.1. The Parties will exchange appropriate network maintenance information (e.g., maintenance contact numbers, network information, information required to comply with law enforcement and other security agencies of the government, etc.).**
- 35.1.2. Each Party shall provide a 24-hour contact number for network service issues. A fax number must also be provided to facilitate event notifications for planned mass calling events. The Parties shall agree upon appropriate network service control capabilities.**
- 35.1.3. Voice response units, similar technologies, intercept solutions or live referrals should be used, where available to refer/transfer calls from customers to the proper Telecommunications Carrier for action. Neither Party shall market to end-users during a call when that customer contacts the Party solely as a result of a misdirected call.**
- 35.1.4. Notice of Network Event. Each party has the duty to alert the other to any network events that can result or have resulted in service interruption, blocked calls, or negative changes in network performance as follows:**
 - 35.1.4.1. Any cable or electronics outage that affects 50% or more of the in-service lines of a central office or 1000 access lines, whichever is less with a duration of two (2) minutes or more.**
 - 35.1.4.2. Toll or EAS isolation of an entire exchange with duration of two (2) minutes or more.**
 - 35.1.4.3. Any digital cross-connect or fiber optic complete system failure lasting two (2) minutes or more.**
- 35.1.5. Notice of Network Change. The Parties agree to provide each other reasonable notice of changes including the information necessary for the transmission and routing of services using that local exchange carrier's facilities or networks, as well as other changes that would affect the interoperability of those facilities and networks. Correct Local Exchange Routing Guide (LERG) data is considered part of this requirement.**
- 35.1.6. Sprint will close all trouble reports with CLEC. CLEC will close all trouble reports with its end-user.**

- 35.1.7. Sprint shall perform all testing for resold Telecommunications Services.
- 35.1.8. Sprint shall provide test results to CLEC, if appropriate, for trouble clearance. In all instances, Sprint shall provide CLEC with the disposition of the trouble.
- 35.1.9. If Sprint initiates trouble-handling procedures, it will bear all costs associated with that activity. If CLEC requests the trouble dispatch, then CLEC will bear the cost.
- 35.1.10. A non-branded, customer-not-at-home card shall be left by Sprint at the customer's premises when a CLEC customer is not at home for an appointment and Sprint performs repair or installation services on behalf of CLEC.
- 35.2. Transfer of Service Announcements. When an end-user who continues to be located within the local calling area changes from Sprint to CLEC and does not retain its original telephone number which was provided by Sprint, Sprint will provide a new number announcement on the inactive telephone number upon request, for a minimum period of ninety (90) days (or some shorter reasonable period, as permitted by the Commission, when numbers are in short supply), at no charge to the end-user or the CLEC unless Sprint has a Tariff on file to charge end-users. This announcement will provide details on the new number to be dialed to reach this customer where available.
- 35.3. Repair Calls. CLEC and Sprint will employ the following procedures for handling misdirected repair calls:
- 35.3.1. CLEC and Sprint will educate their respective customers as to the correct telephone numbers to call in order to access their respective repair bureaus.
- 35.3.2. To the extent the correct provider can be determined, misdirected repair calls will be referred to the proper provider of local exchange service in a courteous manner, at no charge, and the end-user will be provided the correct contact telephone number. In responding to repair calls, neither Party shall make disparaging remarks about the other, nor shall they use these repair calls as the basis for internal referrals or to solicit customers or to market services. Either Party may respond with accurate information in answering customer questions.
- 35.3.3. CLEC and Sprint will provide their respective repair contact numbers to one another on a reciprocal basis.
- 35.4. Restoration of Service in the Event of Outages. Sprint restoration of service in the event of outages due to equipment failures, human error, fire, natural

disaster, acts of God, or similar occurrences shall be performed in accordance with the following priorities. First, restoration priority shall be afforded to those services affecting its own end-users and identified CLEC end-users relative to national security or emergency preparedness capabilities and those affecting public safety, health, and welfare, as those elements and services are identified by the appropriate government agencies. Second, restoration priority shall be afforded between Sprint and CLEC in general. Third, should Sprint be providing or performing Tandem Switching functionality for CLEC, third level priority restoration should be afforded to any trunk. Lastly, all service shall be restored as expeditiously as practicable and in a non-discriminatory manner.

35.5. Service Projections. CLEC shall make available to Sprint periodic service projections, on a semiannual basis.

35.6. Quality of Service

35.6.1. Upon deployment of Electronic Interfaces, Sprint shall provide CLEC with the same intervals and level of service provided by Sprint to its end-users or other CLECs at any given time.

35.6.2. Upon deployment of Electronic Interfaces, Sprint shall provide CLEC maintenance and repair services in a manner that is timely, consistent with service provided to Sprint end-users and/or other CLECs.

36. ADDITIONAL SERVICES

36.1. 911/E911

36.1.1. Where Sprint is the owner or operator of the 911/E911 database, Sprint will maintain daily updating of 911/E911-database information related to CLEC end-users.

36.1.2. Sprint will provide CLEC a default arrangement/disaster recovery plan including an emergency back-up number in case of massive trunk failures.

36.2. Directory Listings and Distribution

36.2.1. White Page Directories; Distribution; Use of Listing Information

36.2.1.1. Sprint agrees to include one basic White Pages listing for each CLEC customer located within the geographic scope of its White Pages directories, at no additional charge to CLEC. A basic White Pages listing is defined as a customer name, address and either the CLEC assigned number for a customer or the number for which number portability is provided, but not both numbers. Basic White Pages listing of CLEC

customers will be interfiled with listings of Sprint and other CLECs' customers.

36.2.1.2. CLEC agrees to provide CLEC customer listing information, including without limitation directory distribution information, to Sprint at no charge. Sprint will provide CLEC with the appropriate format for provision of CLEC customer listing information and service order updates to Sprint.

36.2.1.3. Sprint agrees to provide White Pages database maintenance services to CLEC. CLEC will be charged a Service Order entry fee upon submission of Service Orders into Sprint's Service Order Entry System, which will include compensation for such database maintenance services. Service Order entry fees apply when Service Orders containing directory records are entered in Sprint's Service Order Entry System initially, and when Service Orders are entered in order to process a requested change to directory records.

36.2.1.4. CLEC customer listing information will be used solely for the provision of directory services, including the sale of directory advertising to CLEC customers.

36.2.1.5. In addition to a basic White Pages listing, Sprint will provide, at the rates set forth in the appropriate Sprint Tariff, Tariffed White Pages listings (e.g., additional, alternate, foreign and non-published listings) for CLEC to offer for resale to CLEC's customers.

36.2.1.6. Sprint will exercise reasonable efforts to cause its publisher to provide White Pages distribution services to CLEC customers within Sprint's service territory at no additional charge to CLEC. Sprint represents that the quality, timeliness, and manner of such distribution services will be at parity with those provided to Sprint and to other CLEC customers provided that CLEC provides required information and meets criteria and specifications established by its directory publisher.

36.2.1.7. Sprint will exercise reasonable efforts to cause its directory publisher to include critical contact information pertaining to CLEC in the "Information Pages" of those of its White Pages directories provided that CLEC meets criteria established by its directory publisher.

36.2.2. Sprint will accord CLEC customer listing information the same level

of confidentiality that Sprint accords its own proprietary customer listing information. Sprint shall ensure that access to CLEC customer proprietary listing information will be limited solely to those of Sprint and Sprint's directory publisher's employees, agents and contractors that are directly involved in the preparation of listings, the production and distribution of directories, and the sale of directory advertising. Sprint will advise its own employees, agents and contractors and its directory publisher of the existence of this confidentiality obligation and will take appropriate measures to ensure their compliance with this obligation. Notwithstanding any provision herein to the contrary, the furnishing of White Pages proofs to a CLEC that contains customer listings of both Sprint and CLEC will not be deemed a violation of this confidentiality provision.

36.2.3. Sprint will not sell or license CLEC's customer listing information to any third parties unless CLEC provides written notice to the contrary. Once Sprint's system is able to distinguish Sprint and CLEC listings, Sprint and CLEC will share in revenues derived from the sale or licensing of customer listing information net of administration expenses incurred by Sprint in providing such information to third parties.

36.2.4. Other Directory Services

36.2.4.1.
