OF Counsel

Dear Ms. Bayo:

Pursuant to Commission Rule 25-30.550, Florida Administrative Code, enclosed is a copy of a Wholesale Water and Wastewater Agreement entered into between Little Sumter Utility Company and Marion County. This Agreement is, in effect, an option which Marion County may or may not exercise and for which Marion County will pay sufficient fees to increase capacities in accordance with the demand.

This Water and Wastewater Agreement will have no noticeable impact on the Utility's rates due to the amount of demand being placed on the LSU water and wastewater system, and resultant revenues.

In accordance with the aforementioned Rule, we will deem this Agreement approved if we do not receive notice from the Commission of its intent to disapprove within thirty days. Should you have any questions regarding this Agreement, please do not hesitate to contact me.
