Dear Mr. Cook:

76097

This is in response to your March 20th letter in which you requested voluntary cancellation of your pay telephone certificate. I cannot recommend voluntary cancellation of a certificate when there is an outstanding balance of regulatory assessment fees (RAFs). In this case, our records show that the company did not pay 1999 fee. As information, until the Commission is notified in writing that a company wishes to cancel its certificate, the RAF is due on that certificate if the certificate is active for any day during a calendar year. This means that not only is the 1999 RAF past due, but that you are also responsible for the 2000 RAF since the Commission was not notified until March 21, 2000.

I am enclosing a copy of Rule 25-24.514, F.A.C., which explains how to request voluntary cancellation. The company would need to first pay the past due amount, and then write the Commission a letter requesting cancellation, and state in the letter when the 2000 RAF fee will be paid.

Please respond in writing by April 7, 2000, and let me know how you wish to proceed. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pislser@psc.state.fl.us.
