18. Submit the following:

A. Financial capability.

The application **should contain** the applicant's audited financial statements for the most recent 3 years. If the applicant does not have audited financial statements, it shall be so stated.

The unaudited financial statements should be signed by the applicant's chief executive officer and chief financial officer affirming that the financial statements are true and correct and should include:

1. the balance sheet;
2. income statement; and
3. statement of retained earnings.

NOTE: This documentation may include, but is not limited to, financial statements, a projected profit and loss statement, credit references, credit bureau reports, and descriptions of business relationships with financial institutions.

Applicant does not have audited financial statements. Attached hereto as Exhibit I is Applicant's unaudited Balance Sheet as of December 31, 1999 and Applicant's unaudited Profit and Loss Statement for calendar year 1999. These financial documents have been signed by Stanley Badowski, President and Chief Executive Officer of Network Information Solutions, Inc., and Larry Schoenfeld, Applicant's General Counsel, Vice President of Finance,

and Treasurer. Mr. Badowski's Affidavit, attached hereto, affirms that these unaudited financial statements are true and correct.

Further, the following (which includes supporting documentation) should be provided:

1. **Written explanation** that the applicant has sufficient financial capability to provide the requested service in the geographic area proposed to be served.
2. **Written explanation** that the applicant has sufficient financial capability to maintain the requested service.
3. **Written explanation** that the applicant has sufficient financial capability to meet its lease or ownership obligations.

Pursuant to Sections 364.337(1)(3) and 364.339(2), Florida Statutes, effective July 1, 1995, the documents attached hereto as Exhibit 1 demonstrate that Network Information Solutions, Inc. has sufficient financial capability to:

- (1) **Provide the requested service in the geographic area proposed to be serviced;**
- (2) **Maintain the requested service; and**
- (3) **Meet its lease or ownership obligations.**

Applicant possesses adequate financial resources to provide alternative local exchange services in Florida. Network Information Solutions, Inc. will be able to maintain the requested service and meet its ownership obligations.

- B. **Managerial capability:** give resumes of employees/officers of the company that would indicate sufficient managerial experiences of each.

Applicant has the managerial capability to provide telecommunications services in Florida as a facilities-based carrier. See Exhibit II for resumes of Applicant's key personnel, demonstrating Applicant's substantial management experience.

- C. **Technical capability:** give resumes of employees/officers of the company that would indicate sufficient technical experiences or indicate what company has been contracted to conduct technical maintenance.

Applicant has the technical capability to provide services in Florida as a facilities-based carrier. See Exhibit II for resumes of Applicant's key personnel, demonstrating Applicant's substantial technical expertise.

**** APPLICANT ACKNOWLEDGMENT STATEMENT ****

1. **REGULATORY ASSESSMENT FEE:** I understand that all telephone companies must pay a regulatory assessment fee in the amount of .15 of one percent of gross operating revenue derived from intrastate business. Regardless of the gross operating revenue of a company, a minimum annual assessment fee of \$50 is required.
2. **GROSS RECEIPTS TAX:** I understand that all telephone companies must pay a gross receipts tax of two and one half percent on all intra and interstate business.
3. **SALES TAX:** I understand that a seven percent sales tax must be paid on intra and interstate revenues.
4. **APPLICATION FEE:** I understand that a non-refundable application fee of \$250.00 must be submitted with this application.

TECHNICAL AND MANAGERIAL CAPABILITY

NETWORK INFORMATION SOLUTIONS, INC.
Technical and Managerial Capability

Network Information Solutions, Inc. has the technical and managerial capability to provide telecommunications services in Florida as a facilities-based carrier:

Stanley Badowski is co-founder and President, Chairman, and Chief Executive Officer of Network Information Solutions, Inc. ("NIS"). Mr. Badowski has developed substantial expertise in the telecommunications industry, having worked for approximately 38 years in all aspects of the industry. Prior to founding NIS, Mr. Badowski co-founded and served as President of Network Management Services Group, Inc., which was awarded an exclusive contract to develop network management applications for Sprint International. Mr. Badowski also has provided marketing and technical support for ECI Telecom's sales organization; served as Project Manager for the selection and deployment of Citibank's X.25 packet-switched worldwide telecommunications network; served as Operations Manager for the New York Stock Exchange's telecommunications network; and managed for American Express the deployment of its IBM SNA network. As a First Lieutenant in the United States Army Signal Corps, Mr. Badowski offered instruction in telecommunications technology, operations, and management. Mr. Badowski holds a Bachelor's degree in Electrical Engineering from the Pratt Institute, New York, and a Master's Degree in Business Administration from City College of New York.

Jose Cid is co-founder and Vice President, Chief Technical Officer and Secretary of NIS. Mr. Cid has over 12 years' professional experience in the communications software industry and has developed significant expertise in areas such as design, implementation, and training. Prior to founding NIS, Mr. Cid served as software design engineer at NYNEX, where his projects included the design of a database to track labor force and budget forecasting. Mr. Cid previously served as an Applications Development Engineer with Network Management Services Group, where he assumed responsibility for the software design, coding, implementation, testing, and documentation of a network management system for the Sprint International X.25 packet-switching platform. Mr. Cid installed and customized this system in over 60 companies worldwide and also trained operations personnel at many of these companies. Mr. Cid also has held positions with Logica and CBS Sportsline. Mr. Cid holds a Bachelor's Degree in Computer and Systems Engineering from Rensselaer Polytechnical Institute.

Larry Schoenfeld serves as NIS' General Counsel, Vice President of Finance and Treasurer. Mr. Schoenfeld has approximately 30 years' experience in the fields of accounting and law, and has developed specialized expertise in the fields of corporate, taxation, and real estate law. Prior to joining NIS, Mr. Schoenfeld held positions with Apt, Glus & Co. and Haskins & Sells (now Deloitte & Touche). Mr. Schoenfeld holds a Bachelor of Science Degree in Business Administration from Northeastern University and a Juris Doctor Degree from Brooklyn Law School.
