Please consider this letter as a request for a voluntary cancellation of our certificate No. 5253. As per your instructions in the attached facsimile letter, we are providing the following information to the commission according to Rule 25-24.820(2):

- (a) MiComm Services, Inc., on March 10, 2000, intends to pay the regulatory assessment fee.
- (b) MiComm Services, Inc. is canceling its certificate due to the fact that it has been an inactive shell company since its inception in Florida, has not had and will not have any customers in that state, and is dissolving as a corporation in its home state of Texas.
- (c) MiComm Services, Inc., an inactive shell company since its inception in Florida, has not had and will not have any customers in that state, therefore, it is not in possession of any customer deposits, and will not issue any final bills.
- (d) MiComm Services, Inc., an inactive shell company since its inception in Florida, has not had and will not have any customers in that state, therefore, it will not send individual customer notices regarding discontinuance of service.

 RE: Voluntary cancellation

Attached is a copy of Rule 25-24.820(2)(a), (b), (c), and (d), Florida Administrative Code, which outlines how a company may request voluntary cancellation of their certificate. Write a letter to the Commission and provide the information as outlined in the above rule and request voluntary cancellation of your Certificate No. 5253. Unfortunately, I cannot recommend voluntary cancellation of a company's certificate when there is an outstanding balance for the regulatory assessment fee.

In this case, our records show that the 1997 fee was paid on February 23, 1998 (payment was due January 30, 1998). However, the \$3.00 statutory penalty and interest charges were not paid. In addition, the 1999 fee has not been paid yet. If it is postmarked by March 30, the total due for 1999 is \$56.00. Also, the 2000 fee must be paid.

Once your letter and check for the fees are received, a docket will be opened to cancel MiComm's certificate. ~~If you have any questions, please let me know.~~
