companies)

Docket No. 000121-TP

Filed: April 5, 2000

PETITION OF FLORIDA CABLE TELECOMMUNICATIONS
ASSOCIATION FOR LEAVE TO INTERVENE

Pursuant to Rule 25-22.039, Florida Administrative Code, the Florida Cable Telecommunications Association, Inc. ("FCTA"), hereby petitions for leave to intervene in this docket, and states:

1. FCTA is a non-profit trade association representing the cable telecommunications industry in Florida¹. The FCTA's business address is 310 N. Monroe Street, Tallahassee, FL 32301.
2. The name and address of the person authorized to receive all notices, pleadings and other communications in this docket is:

Michael A. Gross
Vice President, Regulatory Affairs
& Regulatory Counsel
Florida Cable Telecommunications Association
310 N. Monroe Street
Tallahassee, FL 32301
Tel: 850/681-1990
Fax: 850/681-9676

3. The issues raised in this docket concern the establishment of permanent operations

¹ Certificated telecommunications companies represented by FCTA in this proceeding include: Adelphia Telecommunications of Florida, Inc., Adelphia Business Solutions of Florida, Inc., Adelphia Business Solutions of Florida, LLC, Adelphia Business Solutions of Jacksonville, Inc., Comcast MH Telephony Communications of Florida, Inc., Comcast Telephony Communications of Florida, Inc., Cox Florida Telecom, L.P. d/b/a Cox Communications, Hyperion Telecommunications of Florida, Inc., MediaOne Florida Telecommunications, Inc., and Charter Communications d/b/a Cablevision Communications.

support systems (OSS) performance metrics. The certificated telecommunications companies represented by FCTA in this proceeding are dependent upon the operations support systems of incumbent local exchange carriers in order to provide local service. Accordingly, FCTA's substantial interests will be effected by the outcome of this proceeding regarding establishment of permanent performance measures for incumbent local exchange companies.

4. As the representative of the interests of its members' certificated telecommunications companies, FCTA's intervention is appropriate. Indeed, FCTA has actively sought to promote telecommunications competition as a party of record in Commission proceedings for many years and has been granted intervention in numerous dockets which directly impacted its members.

5. FCTA's intervention will advance judicial efficiency by consolidating the participation of the multiple certificated telecommunications companies it represents.

WHEREFORE, for the foregoing reasons, FCTA requests that the Commission grant its Petition for Intervention, and afford FCTA full party status in this proceeding.

Respectfully submitted this 5th day of April, 2000.

Michael A. Gross
