Issue 3: Should the capital recovery schedule, fossil dismantlement accruals, and depreciation rates addressing the repowering of the Gannon Station approved for preliminary implementation at the February 29, 2000, Agenda Conference in Docket No. 990529-EI be revised?

Recommendation: No. Staff recommends final approval of the recovery schedule, fossil dismantlement accruals, and depreciation rates as shown on Attachment A, pages 6-7 of staff's March 23, 2000 memorandum, reflecting the Gannon Station repowering, effective January 1, 2000. However, if significant changes occur with the estimated retirements, TECO should petition the Commission for recovery revisions as necessary.

**APPROVED**

Issue 4: Should Docket No. 990529-EI be closed?

Recommendation: If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, this docket should be closed upon the issuance of a consummating order.

**APPROVED** *as modified*
