This information is also probably very out of date, and since the docket has been closed for quite some time, I think it can be returned. The time for appeal has definitely passed.

I am continuing to check confidential documents in closed telecommunications dockets. This docket closed in February 1997. There are some documents still in need of a ruling or return. Those are:

- 04560-95 - McCaw filing
- 04619-95 - BMI filing
- 04677-95 - FMCA filing
- 04724-95 - BellSouth filing
- 04926-95 - FMCA filing
- 05293-95 - BellSouth filing

Would it be appropriate to return all of these documents to their respective sources?

Kay
