RE: Change of Docket Title

990243-WS

Sun Communities Finance Limited Partnership filed for a limited proceeding increase of its water rates. While reviewing the application, staff realized that the utility was overearning. Therefore, staff began an overearnings investigation of the water and wastewater system. The docket title should reflect this change and state:

Application for limited proceeding increase and restructuring of water rates by Sun Communities Finance Limited Partnership in Lake County and overearnings investigation.

This change will require the two letter designation in the docket title be changed from "WU" to "WS."
