I think this also may be returned. The case is past the time for an appeal. In fact, this agreement has terminated, I think, and we will be looking at a new arbitration soon. Therefore, the old information would likely be useless.

This docket closed in August 1997, leaving 2 confidential documents without a ruling. The documents are:

- 11033-96 - filed by BellSouth
- 11848-96 - filed by BellSouth

Can they be returned to BellSouth?
