Docket No. 000289-EU In re: Petition for determination
of need for electric power plant in St. Lucie County by
Panda Midway Power Partners, L.P.

Panda Leesburg and Panda Midway have been informed that Prehearing Officer Terry Deason has requested that the motions for intervention filed by FPL and FPC in the above-styled dockets and Panda Leesburg and Panda Midway's requests for oral argument on these motions be placed on the Tuesday, April 18, 2000 agenda as a late filed item. Unfortunately, Steve Crain, Vice President of Merchant Plant Development, and Jeff Schroeter, Vice President of Merchant Strategies, the two executives in charge of the development of these two projects, must be in attendance at meetings long scheduled in Texas and Arizona on Tuesday. For this reason, Panda is requesting that consideration of these motions to intervene be rescheduled to the next available agenda.
