**Re: Docket No. 991290-WU, Application for a Staff Assisted Rate Case in Lake County by Brendenwood Water System**

Dear Mr. Day:

On April 4, 2000, the Commission approved staff's recommendation dated March 23, 2000. A Proposed Agency Action (PAA) order is scheduled to be issued twenty days from the date of the Commission's vote. If no protests have been filed by the end of the protest period, which is 21 days from the date the PAA order is issued, the rates and charges approved by this Commission will become final. However, the utility must first submit revised tariff pages for staff's approval before the utility will be allowed to implement the rate changes.

Staff has reviewed the utility's tariff and find that your tariff needs to be revised in its entirety. In order to expedite the tariff revision process, the utility should file all revised tariff pages by April 28, 2000, in order to allow sufficient time for staff to verify the accuracy of revised pages. I have enclosed a blank copy of the tariff for filing.

A copy of the customer notice informing the utility's customers of the Commission's approved increase must also be submitted for staff's review and approval. The notice should show effective dates. After staff approves this notice, it must be mailed to customers for receipt prior to consumption at the increased rates.

Please mail the revised tariff pages and a copy of the proposed customer notice to, **Paulette Dewberry, Florida Public Service Commission, Division of Water and Wastewater, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850.**
